- 2 **Disclosure of personal / prejudicial interests**
There were no disclosures of interest.
- 3 **Minutes of the Meeting held on 15th October 2020**
It was **RESOLVED** to note the minutes of the meeting held 15th October 2020 as correct.

Matters arising

Item 6: During the meeting of 15 October 2020, it was noted that a Councillor Keith Evans submitted a query in relation to investigating the possibility of providing a group high speed broadband / fibre contract for all Councillors and Senior Officers of the Council, requesting that Officers look into this matter.

It was noted that providing high speed connections is possible with different solutions but all come at a much higher cost of installation and annual revenue costs, therefore this is not a technical issue but a financial and policy issue, who is eligible and how is it financed. The Council currently have over a 1000 staff connecting daily from home over their broadband and able to carry out most of their duties and if the Authority decides that it will provide high speed broadband to certain individuals, then a policy needs to be agreed on who gets this service, why they are entitled and how it is funded.

Councillor Clive Davies noted that he has been in regular communication with Openreach and Welsh Government regarding the advancement of broadband in Ceredigion, and that improvements were happening all the time. He also noted that it had been announced earlier today that additional funding would become available from the UK Government in support of further developments.

4 Report recommending a review of the size of all committees

The Corporate Lead Officer, Democratic Services presented the report to the committee, noting that the Local Democracy and Boundary Commission for Wales had completed its boundary review for Ceredigion County Council and that we are currently awaiting a decision from Welsh Government Ministers upon the recommendations. If an Order is made as per the Boundary Commission's recommendations, the number of Councillors representing Ceredigion County Council will reduce from 42 to 38 from May 2022 which will also impact upon the capacity of Members and therefore the number on each committee.

Following discussion, it was **RESOLVED** to establish a Cross-Party Task and Finish Group to consider a review in the size of Committees, for implementation from May 2022, following the Order being made; with a view to presenting recommendations to Council in January 2022.

5 Report on Size of Governance and Audit Committee

The Corporate Lead Officer, Legal and Governance Services presented the report to the committee, noting that the Local Government and Elections (Wales) Act 2021 stipulates that from 5 May 2022 one third of members of the Governance and Audit Committee must be lay members.

It was noted that this matter had been considered by the Governance and Audit Committee on 24 February 2021 and that the preferred option of that committee is that the number of lay members are increased from 1 to 3, and that the number of County Councillors remain at 6. It was noted that there would be a cost implication resulting from increasing the number of lay members, however this would be an opportunity to bring in different expertise to the committee.

The Council is currently in the process of recruiting additional lay Members to the Governance and Audit Committee. The concern was raised that delaying this process until the Council decision in January 2022 may result in a failure to recruit sufficient members prior to May 2022.

Following discussion it was **RESOLVED** to recommend to Council that from 6 May 2022 that the Governance and Audit Committee should comprise of 3 independent / lay members and 6 County Council Members.

6 Report on the Local Government and Elections (Wales) Act 2021 - matters relevant to the Democratic Services Committee

The Corporate Manager for Democratic Services presented a report to the committee, outlining the main aspects of the Local Government and Elections (Wales) Act 2021 relevant to the committee, including publishing a strategy encouraging participation by local people, the creation of an e-petition scheme, a duty to publish official addresses, electronic broadcasting of meetings, enabling job-sharing, family absences, duties of leaders of political groups in relation to standards of conduct and the making of information available to Overview and Scrutiny Committees.

The Corporate Lead Officer for Legal and Governance also note a requirement relating to qualification and dis-qualification of Members.

Following discussion is was **RESOLVED** to note the aspects of the draft Local Government and Elections (Wales) Act specific to the Democratic Services.

7 Report on changes to the Council's Constitution

The Corporate Lead Officer for Legal and Governance presented a report to the committee, noting that the Council's Cross-Party Constitution Working Group approved the amendments to the Council's Constitution in its meeting held on 19th April 2021, to be presented to the Democratic Services Committee.

The proposed amendments related to the Council's procedure rules relating to Motions on Notice, Call-In procedures and the principles of the voting mechanism relating to simple majority and the Chairperson's casting vote.

The aim of these amendments to appendices 1 and 2 are to simplify and clarify the procedures in relation to the deadline for submitting a Motion, making amendment both prior to the meeting and during the meeting. Also, clarifying what can and cannot be called in, criteria for referral to Council and consent in relation to urgent decisions.

It was also recommended that the over-arching Council rules in relation to voting within the constitution are duplicated to all committees for clarity.

Following discussion is was **RESOLVED** to recommend to Council the following amendments to the Constitution:

- 1) to approve the proposed amendments regarding Notice of Motion and the Call-in Procedure
- 2) to approve proposed amendments to regularise Cabinet and the Committees procedural arrangements to reflect the Council Procedure Rules as regards voting majority and Chairperson's casting vote within meetings.

8 Forward work programme for 2021/22

Consideration was given to the forward work programme for 2021, and it was noted that Members are able to propose additions to the Forward Work Programme as matters arise.

It was **RESOLVED** to approve the forward work programme as presented.

9 Any other matter which the Chairman decides is for the urgent attention of the Committee

It was noted that the Chairman had asked all Councillors in advance of this meeting if they had any matters to raise. The following items had been presented to the Chairman:

- a) It was noted that the press had recently reported on dispensation applications presented to the Ethics and Standards Committee. It was agreed that the Corporate Lead Officer would discuss this matter with the new Chairman of the Ethics and Standards Committee with a recommendation to stipulate on the dispensation form that information provided will be made public.
- b) Members queried as to the expected time-frame for returning to Penmorfa. It was noted that it would not be possible to return during the installation of the new Council Chamber equipment.
- c) It was agreed that the Democratic Services Committee would ask the Leader of the Council to provide a substantial update on Covid-19 as an agenda item, focussing on short-term developments as opposed to providing a verbal update in order that Members are able to prepare questions in advance. It was acknowledged that data relating to Covid-19 cases would need to be provided verbally on the day.
- d) Members noted that the 'CLIC' enquiry system in itself was working effectively, however Members do not know who is dealing with any particular enquiry, and often do not receive feedback when a matter has been dealt with. It was also noted that the system provides separate ticket items when you follow up on a query, and that it can be difficult to keep track of queries. It was noted that the Service is currently developing 'your account' which will facilitate this. Officers were asked to clarify the time-frame for this development
- e) Members asked whether they would be eligible to receive eye-care vouchers which are currently available to employees. It was noted that the regulations relating to Display Screen Equipment relate to health and safety legislations for employees and workers. Whilst Members are not technically categorised as employees or workers, the advice from People and Organisation Services suggested that if Democratic Services believe that members fulfil the criteria within the DSE legislation, they may be eligible to claim under the Council's eye-care scheme. The Health and Safety regulations stipulate that: "*The Health and Safety (Display Screen Equipment) Regulations apply to workers who use DSE daily, for an hour or more at a time. We describe these workers as 'DSE users'. The regulations don't apply to workers who use DSE infrequently or only use it for a short time*". It was noted that a process would need to be developed for Councillors and they themselves would have to declare that they use DSE daily, for an hour or more at a time.
- f) Members asked about the provision of a secondary piece of IT equipment for Chairs of Committees. It was noted that last year, Cabinet Members and Chairmen of Committees who had previously requested an I-pad had been offered the loan of a lap-top in order to facilitate with the co-ordinating of committees whilst working from home. Those Members that are no longer Chairs of Committees will be asked to return the loan equipment, and new Committee Chairmen will receive the same offer. It was noted that information relating to the cost of providing additional equipment would be reflected in the Statement of Members' Allowances paid during 2020/21 which would be published shortly.

CEREDIGION COUNTY COUNCIL

Report to:	Democratic Services Committee
Date:	15th October 2021
Title:	Update on the Local Government and Elections (Wales) Act 2021 – matters relevant to the Democratic Services Committee
Purpose of report:	To update the committee as to aspects of the Local Government and Elections (Wales) Act 2021 relevant to the Democratic Services Committee.

Background

The Local Government and Elections (Wales) Act was passed in the Senedd on 18 November 2020 and received Royal Assent on 20 January 2021. The Act will be implemented by means of 3 Commencement Orders, bringing into force various aspects of the Act by means of a phased approach.

The Bill is extensive and has the potential to impact on numerous administrative and decision making processes of the Council, effecting most if not all Committees. Aspects which are resource intensive, relating specifically to the Democratic Services Committee have been highlighted below. However it is recommended that Members review the Bill in its entirety in relation to recommendations / proposals which will impact Members directly.

Duty to encourage local people to participate in decision-making by principal councils

Sections 39-41, Chapter 4 of the Local Government and Elections (Wales) Bill stipulates that a principal council must prepare and publish a public participation strategy, including promoting awareness of the council's functions, how to become a member, what membership entails, ways of facilitating access to information about decisions made, or to be made, making representations, bringing the views of the public to the attention of overview and scrutiny committees and promoting awareness among members of the benefits of using social media to communicate with local people.

The draft engagement policy is currently under development and is due to be presented to Cabinet on 2 November 2021 following by a public consultation with residents of Ceredigion, and the amended policy presented to Cabinet on 15 March 2022.

This provision will come into force on 5 May 2022.

Duty to make a petitions scheme

Section 42, Chapter 4 of the Local Government and Elections (Wales) Bill relates to a requirement to set out a petition scheme, including electronic petitions.

We are currently awaiting guidance documents from Welsh Government as to the set parameters of the petition scheme. Once this information has been received, final amendments can be made to the online petition system, and amendments made to the draft scheme, in order to ensure compliance with the legislation.

This provision will come into force on 5 May 2022.

Duty to publish official addresses

Section 43, Chapter 4 of the Local Government and Elections (Wales) Bill requires that a principal council must publish an electronic and postal address for each member of the council, to which correspondence for the member may be sent.

Electronic and postal addresses for the majority of Ceredigion County Council Members are currently published on our website. This provision will come into force on 5 May 2022, and details of electronic address for all Members will be added to the Council's website following the elections in May 2022.

Electronic broadcasts of meetings

Sections 46-51, Chapter 4 of the Local Government and Elections (Wales) Bill proposes that principal councils make and publish arrangements to ensure the broadcasting of proceedings at a meeting are available so that members of the public not in attendance can see and hear the proceedings, and made available for a specified time following the meeting. This will apply to meetings which are open to the public, including the executive of a principal council, a committee or sub-committee of an executive of a principal council, a committee or sub-committee or a principal council, a joint committee, or a sub-committee of a joint committee, of two or more principal councils.

From 1 May 2021, the 3rd Commencement Order of the Act came into force, which provides for attendance, including remote attendance at local authority meetings. The Local Authorities (Coronavirus) (Meetings) (Wales) Regulations 2020 provided flexibility to enable local authorities to operate safely, effectively and lawfully, whilst retaining the principles of openness and accountability to the public. The 2020 Regulations related to meetings held before 1 May 2021, therefore the Local Government and Elections (Wales) Act enables authorities to transition from the 2020 Regulations to the permanent provisions of the Act, as set out in the Local Government and Elections (Wales) Act 2021 (Consequential Amendments and Miscellaneous Provisions) Regulations 2021.

The Welsh Minister may by regulation make further provisions in connection with the broadcast of proceedings at a meeting. This will come into force from 5 May 2022. The Welsh Government will also make guidance available to support local authorities in implementing these provisions.

Ceredigion County Council has successfully applied for funding from the Welsh Government Digital Democracy Fund to cover the cost of purchase for the installation of hardware, which will support software for which will support hybrid meetings, with translation in addition to broadcasting.

The tender process is now complete, and we are in the progress of installing the necessary hardware to support the hybrid meetings software, which will take place during November. We are currently awaiting guidance from the Welsh Government with regards to which meetings will be required to be broadcasted. Arrangements will be published once this information is received.

Next steps:

Work will be undertaken over the next year to ensure that the Council meets the statutory requirements of the Act. An Action Plan is currently being developed to ensure the timetable is met.

Recommendations: That the Committee notes the aspects of the draft Local Government and Elections (Wales) Bill specific to the Democratic Services Committee.

CEREDIGION COUNTY COUNCIL

Report to:	Democratic Services Committee
Date:	15th October 2021
Title:	Electoral Review of Ward Boundaries
Purpose of report:	To highlight amendments to Ward Boundaries in Ceredigion, and impact on Committee Membership

Background

The Local Democracy and Boundary Commission for Wales recently conducted a review of electoral arrangements in Ceredigion in accordance with the Local Government (Democracy) (Wales) Act 2013, publishing its Final Recommendations on 31 May 2019.

The Commission proposed a council of 38 members, a reduction from the present 42 members, with a county average of 1,384 electors per member. It also recommended 34 electoral wards, a reduction from the 40 existing wards. The revised wards are derived as a result of creating four two-member electoral wards, namely Aberporth and Y Ferwig, Aberystwyth Morfa a Glais, Aberystwyth Penparcau and Beulah and Llangoedmor; and combining a part of a warded community, along with its neighbouring community. These community splits are present within the Communities of Dyffryn Arth, Llandysul and Nantcwnlle.

On 14 September 2021, the Minister for Finance and Local Government accepted the recommendations of the Local Democracy and Boundary Commission for Wales with modifications in respect of the County of Ceredigion, to be put in place for the 2022 local government elections. The final agreed version is due shortly, following minor outstanding items relating Ward names.

Full details can be reviewed in the 'Final Recommendations Report' available online at:

https://ldbc.gov.wales/sites/ldbc/files/review/Ceredigion%20Final%20Recommendations%20Report%201_0.pdf

Next steps:

Work will be undertaken over the next few months in preparation for the Local Government Elections in May next year, and a communication strategy will be developed with an to ensure that residents are aware of the changes that will have an impact upon them. A Task and Finish group has been established to conduct a full review of the size and membership of all Committees of the Council in order to ensure appropriate representation, in lieu of the reduced number of Councillors. The first meeting of the Task and Finish group was held on 29 September, and we are aiming to present the recommendations of this group to Council no later than December of this year.

Recommendations: That the Committee notes the action plan noted in the next steps above;

Title: Elected Member Role Descriptions

Purpose of report: For the Committee to consider and agree upon a revised suite of model Elected Member Role Descriptions produced by the Welsh Local Government Association (WLGA)

The Welsh Local Government Association (WLGA) have produced a revised set of Member Role Descriptions in association with Member and Local Authority Officers. The generic role descriptors which set out the responsibilities and functions of the role of the elected member are available as a suggestion rather than prescription. Elected Members have a wide range of roles and responsibilities which they are expected to undertake, and the role descriptions aim to provide a framework and guidance upon these responsibilities and a range of activities that Members undertake.

Appendix A include the model role descriptions for the following roles:

- Elected Member
- Leader (and Deputy)
- Cabinet Member
- Chair of the Council
- Chair of Democratic Services Committee
- Member of Democratic Services Committee
- Chair of Regulatory Committee
- Member of Regulatory Committee
- Chair of Standards Committee
- Member of Standards Committee
- Chair of Governance and Audit Committee
- Member of Governance and Audit Committee
- Overview and Scrutiny Chair
- Overview and Scrutiny Member
- Leader of the Opposition
- Political Group Leader
- Member Champion Purpose and Role
- Member Champion Role Description

The Democratic Services Committee is invited to consider whether they wish to accept the generic versions, or if they wish to tailor any of the model role descriptions to ensure that they accurately reflect the diversity of the role undertaken, or the nature of such roles within the context of Ceredigion County Council.

Framework Member Role Descriptions and Person Specifications

Welsh Local Government Association

The WLGA's primary purposes are to promote a better local government, its reputation and to support authorities in the development of policies and priorities which will improve public service and democracy.

Background

This is a set of generic role descriptions and person specifications for elected members. They are applicable in any authority and are made available as suggestions rather than prescription.

The role descriptions set out the responsibilities and functions of the role of the elected member. The person specifications describe the qualities and skills required of the member in the role and can help when considering personal development.

Where members undertake more than one role it is anticipated that role descriptions would be combined. For example: Overview and Scrutiny committee chairs would be expected to undertake the role of, Elected member, Overview and Scrutiny Member and Overview and Scrutiny Chair.

These role descriptions are designed to be used alongside the Welsh [Member Development \(Competency\) Framework](#) which describes the skills knowledge and behaviours required of Councillors

This document has been produced collaboratively by the Welsh local Government Association, working with members and officers from all the authorities in Wales. It takes account of all the UK and Wales legislation affecting the role of members, including, most recently, the Local Government and elections (Wales) Act 2021.

Political Group Leader supplementary guidance

The Local Government and Elections (Wales) Act places a duty on Group Leaders to take “Reasonable Steps” to promote and maintain high standards of conduct by the members of their group. The following note provides further interpretation of the Act in support of the Group Leaders’ role description.

- Group Leaders have a duty to promote and maintain high standards of behaviour by members of their group in a Unitary Authority. This applies to those group members whenever they are acting or giving the impression of acting in their capacity as a member.
- This duty has been introduced by the Welsh Government to encourage high standards of behaviour from members, including civility and respect in all situations and towards all people. The duty is not intended to be onerous and will not cover everyone (clearly those members who do not belong to a group), but rather to be proportionate and helpful and encourage the prevention of inappropriate behaviour before it becomes a breach of the Code.
- All councillors already have a responsibility to report breaches of the Code of Conduct
- The Duty applies to Group Leaders for their group members whenever these members are for example acting on the Council, in political group meetings, in the community and on outside bodies such as Fire and Rescue Authorities, National Park Authorities, Police Authorities, Community and Town Councils, Corporate Joint Committees and school governing bodies.
- In the case of outside bodies, the standards of conduct which apply are those set out by the body on which the group member is serving. If these are not available, the Council Code of Conduct applies.
- The Duty does not make Group Leaders **accountable** for the behaviour of their members as Conduct must be a matter of **individual responsibility**. However, Group Leaders **must** take “Reasonable steps” to promote and maintain high standards of conduct by the members of the group. And **must** cooperate with the standards committee and any subgroup of the committee in the exercise of the standards committee’s functions. And **must** have regard to guidance issued by Welsh Ministers on these matters.
- “Reasonable steps” might include Group Leaders:
 - Having informal discussions with and/or requesting training for members who may be showing early signs of inappropriate behaviour to ‘nip this in the bud’ before it becomes problematic or in danger of breaching the Code.
 - Working constructively with Standards committees to report compliance with their duty, any serious concerns about members’ behaviour which have not been remedied by informal actions, and training requirements for themselves and for their group members.
 - Working constructively with and supporting the Monitoring Officer in these matters
 - Acting as a positive role model for members, demonstrating the highest possible standards of behaviour, civility, and respect.
 - Maintaining an awareness of what constitutes very high standards of behaviour, civility, and respect, particularly with regard to equalities and diversity.
 - Working constructively with other group members on the council and on other councils to ensure the highest possible standards of behaviour both in the Council and throughout Wales.

- Welcoming and responding to concerns raised by Group members about behaviour in the group.
- Standards committees have a duty to monitor compliance by Political Group Leaders with their duties and advising, training or arranging to train leaders of political groups on the council about matters relating to their duties.
- Standards committees must give an annual report to council about their work including compliance of group Leaders with this duty.
- The sanctions which may be applied to group members acting inappropriately on an outside body are those set out by those bodies. Where sanctions are not set out, the Council rules apply.
- If a member has breached the Code of Conduct and is suspended, they are only suspended in the capacity as a member of one relevant authority. They would have to be disqualified for it to apply to their capacity as a member of more than one relevant authority. (Local Government Investigations (Functions of Monitoring Officers and Standards Committees (Wales) regs 2001)
- “A group leader who fails to comply with the new duty in a meaningful way may potentially be regarded as bringing their office into disrepute, in breach of paragraph 6(1)(a) of the Code” The Public Services Ombudsman for Wales, [*The Code of Conduct for members of local authorities in Wales May 2021.*](#)

Member Champion Purpose and Role

What are Member Champions?

Member Champions exist to provide a voice for traditionally underrepresented groups, or issues which need to be kept at the forefront of council business although they may not be the responsibility of any individual or committee.

Member Champions, (sometimes called lead members) are elected members who in addition to their other council responsibilities make sure that the issue or group that they are championing are taken into account when council policy is being developed and decisions are made. Members act as champions in areas such as children, homelessness, equalities, older people, young people, scrutiny, member support and development, health improvement and anti-poverty. There is a statutory role for a lead member of children's and young people's services with a responsibility for over-seeing the arrangements made under sections 25 and 26 of the 2004 Children Act.

Guidance on undertaking the role with regard to the subject knowledge that members need is sometimes available from the outside bodies associated with the issue being championed for example the toolkit for older peoples' champions from the LGA. Otherwise they will be reliant on their authority for guidance in the subject they lead on and also their role as lead member in this area.

What do they do?

Typically, the lead member will:

- Make sure that their area of interest is taken into account when developing policy or making decisions
- Ask questions about performance and resourcing for the area
- Raise the profile of the area and make the authority aware of good practice.
- Engage with external bodies who work in the area
- Engage with other officers and members in relation to the role.
- Engage with community groups with an interest/stake in the area ☐ Report action to the council

How does their role fit within the corporate structure?

This will vary according to the area/issue that is being championed and how the authority functions. There is potential for confusion and overlap between the role of the member champion and those of the relevant executive member or overview and scrutiny members. The champion role itself could be undertaken by either the relevant executive member or a non executive member.

It is therefore important that members and officers work together to agree roles and action for the area being championed and that there are mechanisms for lead members to report on their activities. It is helpful for the authority to draft a protocol which sets out what powers champions have and do not have, such as whether or not they are able to make decisions on behalf of the authority. Similarly, the appointment of champions varies between authorities, and includes appointments being made by full council meetings or by the leader.

The Role Description

It is difficult to create a role description that fits with the different roles expected of champions and how they operate in the different authorities' structures. The following is a generic model which will require local adaptation, particularly to reflect the difference that may exist between a statutory role, one undertaken by an executive member and a non-executive lead.

Member Champion Role Description

1. Accountabilities

- To Full Council

2. Role Purpose and Activities

- To promote the interest being championed within the Council's corporate and service priorities
- To promote the needs of the client group represented in the interest to the decision makers within the council

- To maintain an awareness of all matters connected with the interest
- To contribute to good practice and the continuous improvement of services and functions related to the interest
- To engage with members in matters related to the interest such as attending Overview and Scrutiny/Cabinet /Full Council meetings etc.
- Raising awareness of and taking a lead role in the development of all members and officers in relation to the interest

In the Community

- To raise the profile of the interest in the community
- To engage with citizens and community groups in matters related to the interest
- To lead and support local initiatives related to the interest

3. Values

To be committed to the values of the Council and the following values in public office:

- Openness and transparency
- Honesty and integrity
- Tolerance and respect
- Equality and fairness
- Appreciation of cultural difference
- Sustainability
- Inclusive leadership

A Development Framework for Councillors in Wales 2021

This framework outlines the knowledge and behaviours required by Councillors in Unitary Councils in Wales.

It has been developed by Councillors and officers working with the WLGA.

It will be useful for Councils when providing support and training for members and for Councillors to identify their priorities for continuing personal and professional development.

It is not intended to be exhaustive or prescriptive, it can also be locally adapted to reflect the priorities of different councils. The competencies described reflect those that councillors will develop within the role rather than those required to stand for office.

The Framework fits with the *Wales Charter for Member Support and Development*. The Charter provides Councils with a structure for local self-assessment and provision of member development, this framework provides a suggested content for that development.

The framework also fits with the WLGA model role descriptions and the induction curriculum for new members. It takes account of legislative requirements for members including those set out in the Local Government (Wales) measure 2011 and the Local Government and Elections (Wales) Act 2021.

Proposed ICT Solution for 2022

The council propose to provide councillors with the same provision as council staff both to reduce support costs with nonstandard equipment and because this is proven to meet modern office and home working requirements. It is proposed that the current solution is replaced with the single option below.

1. A Windows Laptop with the same specification as for council staff.
2. Software configuration specifically for councillors with no direct access to internal corporate systems other than councillor or democratic systems required for their role.
3. A 24" screen with internal docking capability or separate docking station. Allowing the laptop to be connected with a single cable.
4. A keyboard, mouse and headset
5. Carry cases require personal choice to meet the users needs and preferences. Members should source their own to meet their personal needs. However, a basic laptop case will be provided on request.
6. Ceredigion email address and Office E3 365 account.
7. Use of Microsoft 365 Office applications in line with Microsoft licencing agreement. Including the ability to install Office application on up to 5 personal devices.

9. Access to Wi-Fi in all council offices.

10. Access to email and Office files from personal devices and mobile phones
11. Appropriate training and briefing on data protection and use of any issued devices.
12. ICT support from corporate ICT service desks and remote support via telephone and remote access during service desk hours.
13. Only agreed software to be installed as with council staff
14. Printers will not be provided as we seek to support electronic working and environmentally friendly practices.
15. Agreement to council acceptable use policy and Councillor data security policy

Refresh considerations for continuing Members

All members will be requested to return existing equipment and will be issued with new.

Non-returning Members

Where Members are not returning. Return of any issued equipment will need to be dropped off at Penmorfa or Canolfan Rheidol service desks. This equipment will be either refurbished and re-issued or disposed of in-line with our usual corporate refresh arrangements.

The return of any personal files or documents from personal devices that can be retained will require the completion of the Personal / Confidential Data Encryption Agreement (see additional attachment).

Recommendations

As this is a consultative report confirmation is sought that the proposed solution and terms reflect the current and future needs of Members.

Ongoing training will be provided to suit your needs.

All Councillors receive a basic salary, with additional payments to Councillors who take on additional responsibilities such as Committee Chair, Political Group Leader and so on. You will be entitled to a pension scheme, family leave allowance and support towards the costs of caring.

Our Leadership Group

How do you go about standing as a candidate?

You or your agent (if you have one) will need to complete a nomination form which can be found on the 'Elections and Electoral Registration' page of the Ceredigion County Council website. You will need to submit the form shortly after the date of issue of the Notice of Election with your full name and home address.

The nomination form must be signed by 10 registered electors from the ward in which you are standing as a candidate. The first two to sign will be the proposer and seconder and the other eight registered electors will be witnesses. Please note that the names of the 10 subscribers will be published.

The nomination period begins on 21 March 2022, and closes at 4pm on 5 April 2022.

You will need to arrange an appointment by contacting: wyddogcanlyniadau@ceredigion.gov.uk, or you can telephone the main reception on 01546 570887, and ask the service to contact you.

The nomination process

If you have been selected by a party as a candidate or are standing as an independent candidate, you must ensure that you are officially 'nominated' and give your nomination permission in writing.

If you are a candidate for a registered political party, you must also submit a certificate from the party's nominating officer, authorizing you and your use of the party's description and emblem. If you are independent, you can only describe yourself as 'independent' (or a bilingual version) or not provide a description at all.

Candidates standing for political parties can have an election 'agent'. This is the person legally responsible for running your campaign and negotiating with the council. Independent candidates can be their own agent. If no election agent is appointed, then the candidate automatically becomes their own agent.

Further information can be found on the Electoral Commission website.

Introduction

County Council Elections will be held on 5th May 2022 and it is possible that there will be a number of new Councillors. The draft Members' Induction programme outlines the areas that will be covered – refer to Appendix A (the dates and times are subject to change).

Further training will be held later in the year and would include:

The Induction and training programme will be tailored to each individual Member, dependant on their roles and responsibilities i.e. which Committees they are members of and whether they are Chairs / Vice Chairs.

Many of the training sessions will be mandatory for all or some Councillors (both new and existing Councillors).

Foreword from the Chair of the Committee

The Local Government (Wales) Measure 2011 required each County and County Borough Council to establish a Democratic Services Committee and it has been a privilege to return to the role of the chair of the Democratic Services Committee following the Local Election in 2017.

The Committee has focussed its work on ensuring that the needs and requirements of Members are addressed and that appropriate arrangements are made to support Members in their duties. During the year we reviewed developments in relation to the 'Local Government and Elections (Wales) Act' including a duty to encourage participation in decision-making, duty to make a petition scheme, duty to publish official addresses, electronic broadcasting of meetings, enabling job sharing for Leader and Cabinet Member positions as well as non-executive offices, family absence for Members, standards of conduct, and making information available to Overview and Scrutiny Committees. Many of these changes will come into force from May 2022, however due to the pandemic, several have already been implemented. It was agreed to review these following the publication of guidance documents by the Welsh Government which is anticipated post November 2021. The Committee also reviewed the size of the Governance and Audit Committee, revisions to the 'Motions on Notice', 'Call In' procedures, and voting procedures,

The last 12 months have been extremely challenging, due to the Covid-19 pandemic, with both Members and Officers working from home. Members have adapted extremely well to the new arrangements, thanks to all the support and training provided by the Democratic Services Officers. I would like to extend my thanks and appreciation to the Committee for their time, dedication and support, and Officers who have supported the work of the Committee and all Members and I thank them all for their willingness, commitment and continued support.

There are several matters that the Committee will be considering during the remainder of 2020/21, including continuing to ensure that the needs

and requirements of Members are addressed in relation to new facilities in the Council Chamber as well as ICT solutions for Members.

Councillor Ceredig Davies
Chairman of the Democratic Services Committee, Ceredigion County
Council
2020/21

Terms of Reference of the Committee

Democratic Services Committee Terms of Reference

The Local Government (Wales) Measure 2011 (the Measure) requires the local authority to appoint a Democratic Services Committee. At its first meeting in July 2012, the Terms of Reference were agreed as follows:

The functions of the Democratic Services Committee are to:

- Carry out the local authority's function of designating the Head of Democratic Services (HDS)
- Keep under review the provision of staff, accommodation and other resources made available to the HDS, in order to ensure that it is adequate for the responsibilities of the post
- Make reports, at least annually, to the full council in relation to these matters
- To consider, and make recommendations to the Council, concerning the timing of meetings
- To oversee the training and development of Members.

Membership

The Committee will comprise 6 Members as appointed by the Council.

Chairman

The Chairman will be appointed by the Council and will serve for a term of two consecutive municipal years (in accordance with Article 5.2 of Part 2 of the Constitution).

Co-option

The Measure does not provide the Committee with powers to co-opt persons onto the Committee.

Sub-committees

The Committee may appoint sub-committees as and when required and delegate functions to them.

The Committee will appoint the Chairman of any sub-committee.

Attendance to answer questions

The Committee (and any sub-committee) has the power to require the attendance of any Members or Officers of the Council to answer questions and can invite anyone else it likes to do so also. If a member or officer is required to attend they must answer any questions unless the question is one which they would be entitled to refuse in a court.

Access to information

The Committee's proceedings are subject to the Council Access to Information Rules as found in Document B Part 4 of the Constitution.

Frequency of meetings

The Committee will meet at least three times in any municipal year.

A meeting of the Committee can also be convened if the full Council so decides or at least a third of the members of the Committee demands a meeting.

The onus lies on the Chairman to ensure that meetings are held when required.

Welsh Government Guidance

The Committee must have regard to guidance from Welsh Ministers when exercising its functions.

Reports of the Head of Democratic Services

Any report presented to the Committee by the HDS must be considered by the Committee within three months. Similarly, any report made by the Committee must be considered by the full Council within three months.

Membership of the Committee

Members of the Democratic Services Committee 2020/21

The Committee is made up of 6 Members and is politically balanced. In 2020/21 it was chaired by Councillor Ceredig Davies. The Members have worked together to progress the work of the Democratic Services Committee:

Councillor	Possible	Actual
Councillor Ceredig Davies (Chair) Liberal Democrats	1	1
Councillor Clive Davies Plaid Cymru	1	1
Councillor Lloyd Edwards Liberal Democrats	1	1
Councillor Gwyn James Independent	1	1
Councillor Dai Mason Independent Voice	1	1
Councillor Wyn Thomas Plaid Cymru	1	1

Due to the COVID-19 outbreak in March 2020, it was not possible to convene the meeting in May 2020, as scheduled.

The activities of the Committee

2020/21

In the past year, the Democratic Services Committee has undertaken a range of activities. The information below highlights the issues discussed and the views expressed by the Committee:

Remote Meetings

It was noted that Council's Annual General Meeting had been held prior to lock-down in March. Following an extensive review of the various systems and mechanisms for holding remote meetings, it was decided that 'zoom' would be the most appropriate mechanism as it provided for simultaneous translation. At that time, Microsoft were developing a platform for translation via 'Teams', however this facility has yet to be launched.

One-to-one training was offered to every Member, and since meetings resumed over the summer, all Councillors have been able to attend via 'zoom' with one Councillor joining the meeting by telephone.

Guidance notes and a good practice guide for attending and participating at remote meetings were agreed and published on the website.

Self-Evaluation of Overview and Scrutiny Survey

Consideration was given to the findings of the self-evaluation survey which considered the effectiveness of Overview and Scrutiny Committees. It was noted that the number of respondents was twenty-five, an increase of five from the previous year. The Committee was pleased to note that overall, the response to the survey were reassuring. It was noted that on the recommendation of this committee, the number of questions had been reduced to 9 with an aim to increase participation, which had been successful.

The committee noted that each time the review is held in relation to the timing of the meetings, the majority have asked that the current pattern continue. It was noted that attending remote meetings is less demanding on the time of those who work during the day and that there would be additional challenges to holding remote meetings outside of office hours.

The Committee agreed that the self-evaluation should be undertaken annually, that the number of questions should be reduced with an aim to increase participation and to review the format of the report presented to the Committee

Webcast system for the Council Chamber

It was noted that during a previous meeting, the Committee decided to postpone the purchase of a webcast system for the Council Chamber until further information becomes available, and to monitor and review developments in relation to the 'Local Government and Elections (Wales) Bill'. In December 2020, the Welsh Government Announced a support package to support the implementation of the Local Government and Elections (Wales) Act with £500,000 of that allocated to support the digital transformation of democracy to underpin many of the provisions contained within the Act. Ceredigion County Council submitted an application, and were notified on 31 March 2021, that we had been successful in obtaining funding in order to upgrade the equipment within the Council Chamber which would enable us to host hybrid meetings, where Councillors and Members of the public are able to attend in person or remotely from May 2022 in accordance with the requirement of the Act.

A tender process followed and the successful bidder will commence the work from November of this year. Training will be provided to all Members, as well as guidance to members of the public who may wish to attend.

Implementation of the 'Modern.gov' Meeting Management System.

Dear Colleague

Independent Remuneration for Wales – Draft Annual Report 2022/2023

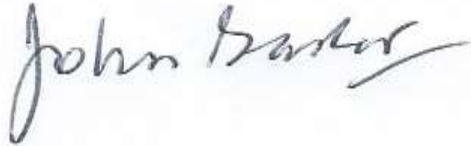

The Panel's draft Annual Report for 2022/23 is attached. We would appreciate and welcome comments during the consultation period which ends on 26 November 2021.

Elections for principal councils and community and town councils will take place in May 2022, so the next Report of the Panel will coincide with the new municipal term. For several years payments to elected members of the 22 principal councils has not kept pace with the original comparator that was used to set the basic salary, or any other public sector comparison. The Panel has decided this is an opportune time to rectify this situation and to reinstate the link to the average welsh earnings (based on 3 days).

The draft Report also sets out changes to the remuneration framework for community and town councils following an extensive consultation exercise which we undertook earlier in the year.

We look forward to receiving comments on the proposals contained in the draft Report and will consider all of the responses prior to producing the final Report for publication in February 2022.

Yours sincerely

ANNUAL REPORT 2022/2023

FOREWORD

The Covid pandemic continues to impact on the work of the Panel in that we have been unable to meet with authorities and their representative organisations face to face. However, we have continued to meet regularly and have meaningful discussions to meet our statutory obligations via Microsoft Teams or Zoom.

It has been a difficult time for the public sector but local authorities in Wales have demonstrated their resilience and capabilities over the past 18 months. 2022 is an election year for local government and the new five year term provides the opportunity to reset the basic salaries of elected members to align with the average earnings in Wales. This has been eroded in successive years, primarily as a result of austerity measures. We consider that it is important that the payments to elected members of principal councils be fair and at a level that is not a disincentive to potential candidates for election.

We have undertaken a major consultation exercise in respect of the Remuneration Framework for community and town councils and the outcome is contained in [Section 13](#) of this draft Report. I would like to express my appreciation to all the councils and individual members and officers for their involvement in the exercise.

There have been changes to the membership of the Panel. Ruth Glazzard joined the Panel in April and Helen Wilkinson replaced Claire Sharp in July. My personal thanks to Claire for her contribution to the work of the Panel.

The consultation period for this draft Report ends on **26 November 2021**. The Panel would appreciate comments which will be considered prior to the production of the final Report.

Timescale for Implementation of the Panel's Determinations

The Local Government (Wales) Measure 2011 requires the Panel's Annual Report to take effect from 1 April. In most years, this is in line with financial and administrative arrangements of all authorities. However, when new councils are elected some of the Panel's determinations are to be effective for the new municipal term.

On 9 May 2022, new municipal arrangements will come into effect following local government elections. This Annual Report therefore has two different effective dates as set out below:

1. For the period 1 April 2022 to 8 May 2022, all of the Determinations contained in the Independent Remuneration Panel for Wales' [Annual Report 2021/2022](#) will continue to apply in respect of principal councils and community and town councils.
2. For national park authorities and Welsh fire and rescue authorities the determinations in Sections [7](#) and [8](#) of this Report will apply from the new financial year, 1 April 2022.
3. With effect from 9 May 2022, (the new municipal year) the determinations set out in this Report in Sections [3](#) and [13](#) will apply to principal councils and community and town councils.

Executive Summary

This is the fourteenth Annual Report of the Independent Remuneration Panel for Wales (the Panel), published under the requirements of the Local Government (Wales) Measure 2011 (as amended).

1. As Wales emerges from the Covid pandemic, local democracy and public services will have a vital role to play in strengthening the resilience of our local communities and economies. 2022 is a milestone year because of this overarching context.
2. As a Panel our firm belief is that this is a reset moment for Welsh democracy and for valuing our public services; an important opportunity to future proof our democracy and public services. We have therefore taken time to engage with stakeholders, pause and reflect on the impact of the decisions we take and the messages we are communicating in making this year's determinations.
3. From inception, the Panel has consistently and vigorously expressed that local democracy and the governance of public services are not cost free and need to be valued if we are to enable everyone to participate. Levels of remuneration need to be set at a level sufficient to encourage a diversity of willing and able people to undertake local governance through elected, appointed or co-opted roles. It is important to promote a culture which encourages take up of remuneration to ensure that people from all walks of life can participate confidently in our democracy. However, the Local Government (Wales) Measure 2011 requires the Panel to have regard to the financial implication of its decisions. We have discussed the issue of affordability with representatives of the WLGA and the general consensus is that in the context of a council's income and expenditure the Panel's determinations do not have a significant impact. We consider that the proposals set out in this draft Report meet the legislative requirement.
4. Since 2009, remuneration of elected members of local government in Wales has not kept pace with measures of inflation or other possible comparators. These include Retail Prices Index, Consumer Prices Index, NJC (public sector employees), National Living Wage (NLW), [the Living Wage Foundation's Living Wage \(LWF\) rates](#), Members of Senedd Cymru, and MPs and also the Annual Survey of Hourly Earnings (ASHE). This is the result of austerity and pressure on public finances. This has the potential to perpetuate socio-economic disadvantage, adding to perceptions of a democratic deficit.

Yearly percentage increases to basic salary, benchmarks and alternative measures 2013 to 2021

5. During this period, decision-making and local governance has increased in complexity with increased responsibilities flowing from legal, social, economic, cultural and technological changes. People’s lifestyles (and expectations) have also changed in the last decade with increased requirements and expectations for a flexible approach to support people with family and care pressures to participate and contribute at work and in public life, through job sharing, flexibility and family leave. The diversity in democracy agenda has gained traction, underpinned by the Equality Act with an increased expectation that people with protected characteristics should be encouraged and empowered to participate. Future proofing our democracy and governance also means that young people, those in work and those who are socially and economically disadvantaged are positively encouraged and empowered to participate as it is clear that our public services should be accountable to and delivered by people who reflect the communities they serve. There is evidence that greater diversity will ensure decision-making takes account of a wide variety of perspectives.

6. The Covid pandemic has put unprecedented pressure on our politicians and public servants. It has also highlighted the importance of our local and community infrastructure in developing rapid and innovative solutions. As Wales emerges from the pandemic, there is increased awareness that our nation needs to draw on a diverse talent pool to meet the scale of the ongoing challenges facing the nation. Local governance needs to engage lived experience and knowledge of local people.

7. As noted in this report, payments for councillors in the 22 principal councils in Wales have not kept pace with comparators such as ASHE. Financial constraints on the public sector and particularly on local authorities over many years meant that the link with average Welsh earnings could not be maintained. The Panel considers that this has undervalued the worth of elected members and that it is now time to restore this link as the most appropriate comparator. Members in these 22 principal councils will receive, proportionately, the same as the overall average amount that a Welsh constituent received in 2020. We believe this puts a fair value on the contribution made by local politicians. We hope that over time this will encourage greater diversity and enable potential candidates to consider putting themselves forward for election.

8. Local elections in Wales will take place on 5 May 2022 for a new municipal term and potentially many new local politicians. The 9 May 2022 is therefore the best date in our view to enact this ‘significant reset’ and invest in local democracy in

Wales. Our proposed increase in remuneration levels will therefore come into effect on this date. Further details can be found in [Section 3](#).

9. As a Panel, we are concerned that payment information provided by relevant authorities shows that very few members are utilising the provision in the framework for financial support in respect of care. We believe it is vital that Democratic Services Committees continue to encourage and facilitate greater use of this element of the Remuneration Framework so that members are not financially disadvantaged.
10. We also believe that encouraging take up of this financial support for members with caring responsibilities will send a positive signal that members with these responsibilities are welcome and valued. We hope that it will encourage others with caring responsibilities to consider standing for election.
11. Payments for members of national park authorities and Welsh fire and rescue authorities will increase as a result of the uplift proposed for elected members of principal councils. As indicated above these increases will be effective from 1 April 2022, the new financial year. The Panel considered the alternative for implementation following the annual meeting of each authority, but this could mean a significant delay in individuals receiving the new payments. This would not be equitable.
12. Early in 2021 the Panel commenced a major review of the Remuneration Framework in respect of community and town councils and undertook a comprehensive consultation exercise with the sector. We appreciated the level of engagement from individual councils and their representative organisations. The Covid pandemic limited the Panel's opportunities for face to face engagement in 2020/2021. However, the Panel's digital engagement was considerable. The Panel recognises a wide variation in geography, scope and scale across the 735 community and town councils in Wales, from small community councils with relatively minimal expenditure and few meetings to large town councils with significant assets and responsibilities. Our recommendations for reform and the proposed new framework are set out in [Section 13](#).
13. In reaching our conclusions we have also taken account of:
 - the overarching framework of the [Wellbeing of Future Generations Act](#);
 - the ethos and principle of the [socio-economic duty](#), implemented in Wales in 2020;
 - Welsh Government's ongoing commitment to [equality](#) and [diversity in democracy](#);

1. The Panel's Framework: Principles of Members' Remuneration

Upholding trust and confidence

- 1.1 Citizens rightly expect that all those who choose to serve in local authorities uphold the public trust by embracing the values and ethics implicit in such public service. These principles underpin the contribution that the work of the Panel and its Framework make towards upholding public trust and confidence.

Simplicity

- 1.2 The Framework is clear and understandable. This is essential for the Panel to be able to communicate its Determinations effectively to all those who are affected by, or who have an interest in its work.

Remuneration

- 1.3 The Framework provides for payment to members of authorities who carry a responsibility for serving their communities. The level of payment should not act as a barrier to taking up or continuing in post. There should be no requirement that resources necessary to enable the discharge of duties are funded from the payment. The Framework provides additional payments for those who are given greater levels of responsibility.

Diversity

- 1.4 Democracy is strengthened when the membership of authorities adequately reflects the demographic and cultural make-up of the communities such authorities serve. The Panel will always take in to account the contribution its Framework can make in encouraging the participation of those who are significantly under-represented at local authority level.

Accountability

- 1.5 Taxpayers and citizens have the right to receive value for money from public funds committed to the remuneration of those who are elected, appointed or co-opted to serve in the public interest. The Panel expects all authorities to make information readily and appropriately available about the activities and remuneration of their members.

Fairness

- 1.6 The Framework will be capable of being applied consistently to members of all authorities within the Panel's remit as a means of ensuring that levels of remuneration are fair, affordable and generally acceptable.

Quality

- 1.7 The Panel recognises that the complex mix of governance, scrutiny and regulatory duties incumbent upon members requires them to engage with a process of continuous quality improvement. The Panel expects members to undertake such training and personal development opportunities as required to properly discharge the duties for which they are remunerated.

Transparency

- 1.8 Transparency of members' remuneration is in the public interest. Some members receive additional levels of remuneration by virtue of being elected or appointed to more than one public body. The Framework serves to ensure that knowledge of all members' remuneration is made easily available to the public.

Remuneration of Heads of Paid Service

- 1.9 The Panel applies these principles of fairness, accountability and transparency in all its determinations in relation to remuneration of members of all the authorities that fall within its remit. The same principles also apply when the Panel is required to make recommendations in relation to the remuneration of the heads of paid service of these authorities.

3. Payments to Elected Members of Principal Councils: Basic, Senior and Civic Salaries

Basic salary for elected members of principal councils

- 3.1 In 2009 the Panel decided the average work commitment of an elected councillor of a principal council was three working days. The maximum basic salary was set at £13,868. This reflected three fifths of the then median gross earnings of full-time male employees resident in Wales as reported in the Annual Survey of Hourly Earnings (ASHE) published by the Office of National Statistics. The Panel considered it was appropriate to use this figure, as it was comparable with constituents' pay, adjusted for the part-time nature of the work of a member with no senior responsibilities. At the introduction of austerity measures, the basic salary was reduced to £13,175 and the link to ASHE was broken. Since then, there has been no connection between councillor and constituent pay. In 2019, the Panel took steps to stop the gap widening and reviewed options to move towards reinstating the link with ASHE or another suitable benchmark. A detailed explanatory paper setting out the historical context and analysis is available on the Panel's [website](#). The key issues are:
- 3.1.1 Since 2009, the Panel has met its duty to take account of affordability and acceptability and set amounts for the basic salary that varied but have not kept pace with measures of inflation or other comparators. Table 1 shows the percentage increases to the basic salary and a selection of alternative benchmarks from 2013 to 2021.
- 3.1.2 From 2013 to 2020 the basic salary of other Welsh elected members increased by 9% (£13,175 to £14,368). A Senedd Cymru member's salary increased by 28.6% (£53,852 to £69,272) and an MP's salary increased by 23.4% (£66,396 to £81,932). MS salaries were realigned in 2017 and MPs in 2015.
- 3.1.3 Examining other parts of the United Kingdom, councillors in Scotland receive £18,604 a year and in 2018 councillors in Northern Ireland received £15,486. Comparison with England is more difficult as the structure of local government is different, although there are examples where members are paid significantly more than their Welsh counterparts.
- 3.1.4 Table 1 shows the basic salary of backbench councillors has fallen significantly behind the Welsh average (median) salary and public sector pay.

- 3.2 When making determinations for this Annual Report, the Panel considered the progression of the variety of benchmark figures outlined above for the period from 2013 to 2021 and the increases.
- 3.3 As outlined in the Executive Summary, the Panel believes that local elections in May 2022 provide an opportune time to rectify the imbalance between the basic salary of councillors and the average salaries of their constituents. The basic salary of councillors of principal councils elected in the May 2022 local elections will be reset to align with the 2020 ASHE. This will be £16,800.

Determination 1: The Basic Salary in 2022/23 for elected members of principal councils shall be £16,800.

Senior Salaries

Senior salaries are payments to members who are executive, chairs of committees and the leader of the opposition.

Number of Senior Salaries

- 3.4 The limit on the number of senior salaries payable (“the cap”) will remain in place and remains unchanged. In 2022-2023 the maximum number of senior salaries payable within each council will be as set out in Table 3.

Senior Salary Payments

- 3.5 All senior salaries include the basic salary payment.
- 3.6 The Panel recognises that years of no or low increases has meant the pay of senior salary holders is significantly and increasingly lower than many relevant comparators.

Leaders

- 3.7 It is widely recognised that the role of leader of a principal council is highly complex and carries a large and increasing level of responsibility. Leaders’ pay is at the lower end of sector market comparators.
- 3.8 The Panel has heard arguments that a leader’s pay should be at or above a backbench MS or a Health Board Chair. The Panel has considered these arguments, but has concluded that although the roles have some similarities, there are significant and crucial differences which are not helpful in making comparisons.
- 3.9 The Panel is very concerned that the current payment levels are often financially

unattractive and are seen as a barrier to participation. For many willing and well-qualified people, a senior salary might necessitate a significant reduction in earnings. This is not in the spirit of diversity, inclusion, or democracy, or efficient for the effective running of principal councils. To start to address this, the Panel has re-set all senior salary payments for 2022-2023. The salary of a leader of the largest (Group A) council will be £63,000. All other payments have been decided in reference to this and are set out in Table 4.

Executive

- 3.10 The Panel continues to take the view that executive members should be considered to be working the equivalent of full time (around 40 hours per week) but flexibly, and not necessarily nine to five. Continued discussions with members and officers in recent years have reinforced this conclusion.

Chairs of Committees

- 3.11 The Panel recognises that there is a significant variance in the responsibilities and functions of chairing different committees. Councils do not have to pay chairs of committees. Each council can decide which, if any, chairs of committees they pay. This allows councils to take account of differing levels of responsibility.
- 3.12 The Panel has considered the role element of the chair's salary. The move to a single level of chair payment in 2019 reduced the differentials with other senior payments. To reset this, the Panel has decided not to change the role element at the 2021 figure of £8,793 for 2022-2023. The basic salary increase will apply.

Determination 2: Senior salary levels in 2022/23 for members of principal councils shall be as set out in Table 4.

Band 5 Leader of Other Political Groups		£20,540	

³ Leader of largest opposition group. See IRPW Regulations, Annex 2, Part 1(2) for a definition of “largest opposition group” and “other political group”.

Table 4 notes:

- a. The Panel considers that leadership and executive roles (Band 1 and 2 salaries respectively) carry the greatest individual accountability. A deputy leader salary is set at 70% of their leader and an executive member at 60% of their leader.
- b. The Panel considered arguments for and against changing council groupings. Options included removing or increasing the number of groups

and changing the banding levels. The Panel concluded that 'size of population' remains a major factor in influencing levels of responsibility and has retained the three population groups (A, B and C). For information: Group A Population 200,000 and above; Group B Population 100,001 to 199,999; Group C Population up to 100,000.

- c. Salaries for B group councils will be at 90% of Group A salaries. Salaries for C group councils have been set at around 80% of Group A. Although Group C councils have significantly smaller populations and budgets they face similar duties and challenges as Group A and B councils and they do so with fewer resources. The Panel has therefore decided to reduce the Group differentials. In 2022/2023 salaries for Group C will be at 85% of Group A salaries. The salaries are set out in Table 4.
- d. Committee chairs will be paid at Band 3. A council can decide which, if any, chairs of committees are remunerated. This allows councils to take account of differing levels of responsibility.
- e. The stipulation that an opposition group leader or any other group leader must represent at least 10% of the council membership before qualifying for a senior salary remains unchanged.
- f. The Panel has determined that a council must make a senior salary available to the leader of the largest opposition group.
- g. The Panel has determined that, if remunerated, a Band 5 senior salary must be paid to leaders of other political groups.

Payments to Civic Heads and Deputies (Civic Salaries)

- 3.13 A council may decide not to pay any civic salary to the posts of civic head and or deputy civic head. If paid, civic heads must be remunerated at Band 3 level and deputy civic heads at Band 5. (Determinations 5, 6, 7 and 8).
- 3.14 The posts of civic head and deputy civic head are not included in the cap (with the exception of Isle of Anglesey and Merthyr Tydfil Councils).
- 3.15 Civic heads are senior posts within councils which are distinct from political or executive leadership. In addition to chairing major meetings the civic head is the authorities' 'first citizen' and 'ambassador' representing the council to a wide variety of institutions and organisations. The Panel's requirement that members should not have to pay for the cost of the support (see **Determination 10**) needed to carry out their duties applies also in respect of deputy civic heads.

Determination 3: Where paid, a Civic Head must be paid a Band 3 salary of £25,593 in accordance with Table 4.

Determination 4: Where paid, a Deputy Civic Head must be paid a Band 5 salary of £20,540 in accordance with Table 4.

- 3.16 In many instances civic heads receive secretarial support and are provided with transport for official duties and can access a separate hospitality budget which is managed and controlled by council officers.
- 3.17 The Panel recognises the wide range of provision made for civic heads in respect of transport, secretarial support, charitable giving and official clothing. Funding decisions in relation to levels of such additional support are not matters of personal remuneration, but of the funding required to carry out the tasks and duties. These matters remain entirely a decision for individual councils. Councils remain free to invest in support at whatever levels they deem appropriate for the levels of civic leadership they have in place.
- 3.18 The Local Government (Democracy) (Wales) Act 2013 allows councils to appoint a presiding member whose role is to chair meetings of the whole council. Where appointed, there would be a consequential reduction in the responsibilities of the respective civic head.

Presiding Members

- 3.19 Councils are reminded that, if a presiding member is appointed, they do not have to be remunerated. If they are remunerated the post will count towards the cap and be paid at a Band 3 senior salary.

Determination 5: Where appointed and if remunerated, a presiding member must be paid £25,593 in accordance with Table 4.

Determination 6: The post of deputy presiding member will not be remunerated.

Key factors underpinning the Panel's determinations:

- 3.20 The basic salary, paid to all elected members, is remuneration for the responsibility of community representation and participation in the scrutiny, regulatory and related functions of local governance. It is based on a full time equivalent of three days a week.
- 3.21 The prescribed salary and expenses must be paid in full to each member unless an individual has independently and voluntarily opted in writing to the authority's proper officer to decline all or any element of the payment. It is fundamental there is transparency in this process so any possible suggestion that members are put under pressure to decline salaries is avoided.

The following must be applied:

Determination 7:

- a) **An elected member must not be remunerated for more than one senior post within their authority.**
- b) **An elected member must not be paid a senior salary and a civic salary.**
- c) **All senior and civic salaries are paid inclusive of basic salary.**
- d) **If a council chooses to have more than one remunerated deputy leader, the difference between the senior salary for the deputy leader and other executive members should be divided by the number of deputy leaders and added to the senior salary for other executive members in order to calculate the senior salary payable to each deputy leader.**

Determination 8: Members in receipt of a Band 1 or Band 2 senior salary cannot receive a salary from any NPA or FRA to which they have been appointed. They remain eligible to claim travel and subsistence expenses and contribution towards costs of care and personal assistance from the NPA or FRA.

Determination 9: Members in receipt of a Band 1 or Band 2 salary cannot receive any payment from a community or town council of which they are a member. They remain eligible to claim travel and subsistence expenses and contribution towards costs of care and personal assistance from the community or town council. Where this situation applies, it is the responsibility of the individual member to comply.

Supporting the work of local authority elected members

- 3.22 The Panel expects support provided should take account of the specific needs of individual members. Democratic Services Committees are required to periodically review the level of support provided to members to carry out their duties. The Panel would expect these committees to carry this out and bring forward proposals to the full council as to what is required. Any proposals should be made with due regard to Determinations 10 and 11 below. For example, the Panel does not consider it appropriate that elected members should be required to pay for any telephone usage to enable them to discharge their council duties.
- 3.23 The Panel considers it is necessary for each elected member to have ready use of email services, and electronic access to appropriate information via an internet connection. The Panel does not consider it appropriate that elected members should be required to pay for internet related services to enable them to discharge their council duties. Access to electronic communications is

essential for a member to be in proper contact with council services and to maintain contact with those they represent. Councils are committed to paperless working and without electronic access members would be significantly limited in their ability to discharge their duties. It is inappropriate for facilities required by members only to be available within council offices within office hours.

- 3.24 The responsibility of each council, through its Democratic Services Committee, to provide support should be based on an assessment of the needs of its members. When members' additional needs or matters of disability apply, or there are specific training requirements indicated, each authority will need to assess any particular requirements of individual members.
- 3.25 As a result of their role as a councillor an elected member's personal security may become adversely affected. It is the duty of Democratic Services Committees to fund or provide support necessary to enable a councillor to discharge their role reasonably and safely. This may require funding appropriate security measures to protect councillors from personal risk or significant threat. Risk assessment and liaison with relevant bodies such as the police and security services would normally inform the selection of required provision.
- 3.26 For co-opted members the support requirements are set out in [Section 9](#) and Determination 42.

Determination 10: Each authority, through its Democratic Services Committee, must ensure that all its elected members are given as much support as is necessary to enable them to fulfil their duties effectively. All elected members should be provided with adequate telephone, email and internet facilities giving electronic access to appropriate information.

Determination 11: Such support should be without cost to the individual member. Deductions must not be made from members' salaries by the respective authority as a contribution towards the cost of support which the authority has decided necessary for the effectiveness and or efficiency of members.

Specific or additional senior salaries

- 3.27 The Panel has allowed for greater flexibility which allows for authorities to apply for specific or additional senior salaries that do not fall within the current remuneration framework, or which could not be accommodated within the maximum number of senior salaries relating to the authority. If the proposed addition is approved and results in the council exceeding its cap, this will be included in the approval (with exception of Merthyr Tydfil and the Isle of Anglesey Councils – see footnote 4). Some councils have raised the possibility of operating some senior salary posts on a job share arrangement. The Panel is supportive of this principle, on the basis that it supports diversity and

inclusion, and the process is set out in Paragraph 3.29.

Determination 12: Principal councils can apply for specific or additional senior salaries that do not fall within the current Framework.

- 3.28 Guidance to local authorities on the application process was issued in April 2014 and incorporated the following principles:
- a. The total number of senior salaries cannot exceed fifty percent⁴ of the membership.
 - b. Applications will have to be approved by the authority as a whole (unless this has been delegated within Standing Orders) prior to submission to the Panel.
 - c. There must be clear evidence that the post or posts have additional responsibility demonstrated by a description of the role, function and duration.
 - d. Each application will have to indicate the timing for a formal review of the role to be considered by the authority as a whole.

⁴ Local Government (Wales) Measure 2011 Section 142 (5). The proportion fixed by the Panel in accordance with subsection (4) may not exceed fifty percent unless the consent of the Welsh Minister has been obtained.

3.29 Job Sharing Arrangements

Section 58 of the Local Government and Elections Act (Wales) 2021 established new arrangements for job sharing for executive leaders and executive members. The Act makes provision:

- a) requiring local authorities to include in their executive arrangements provision for enabling two or more councillors to share an office on an executive, including the office of executive leader
- b) changing the maximum number of members of an executive when members of the executive share an office and
- c) about voting and quorum where members of an executive share office.

For members of an executive: Each job sharer will be paid an appropriate proportion of the salary group as set out in Table 3.

The statutory maximum, as set out in the Act, for cabinets cannot be exceeded so each job sharer will count toward the maximum.

Under the Measure, it is the number of persons in receipt of a senior salary, not the number of senior salary posts that count towards the cap. Therefore, for all job share arrangements the senior salary cap will be increased subject to the statutory maximum of 50% of the council's membership. Where the arrangements would mean that the statutory maximum would be exceeded the Panel would need to seek the approval of Welsh Ministers.

3.30 Assistants to the Executive

The Local Government and Elections Act also provides for principal councils to be able to appoint elected members to assist the executive in discharging its functions.

Such appointments are made by the leader of the council and can include:

- the number of assistants that may be appointed
- the term of office of the assistants
- the responsibility of the assistants

There are exclusions to the appointments as set out in the legislation and assistants are not members of the cabinet.

The Panel has given initial consideration to matters of remuneration for members appointed as assistants to the executive but has concluded that until there is more information in respect of the responsibilities attached to the posts it is not possible to decide on additional payments, if any. It is therefore

proposed that this will be further considered when a council decides to make appointments and details of the specific responsibility is available.

To give effect to this without the requirement for a further formal report the following determination will apply.

Determination 13: The Panel will decide on a case-by-case basis the appropriate senior salary, if any, for assistants to the executive.

Note: If a senior salary payment is made, each will count towards the cap, however, the cap will be increased by the number of assistants receiving payments subject the statutory maximum of 50 per cent of the council's membership.

4. Joint Overview and Scrutiny Committees (JOSC)

- 4.1 Little use has been made of the arrangements for JOSCs. Therefore, the Panel has decided to delete the payment from the Framework. If, in future, a JOSC is formed by an individual council and it wishes to remunerate, it can apply using the arrangements contained in paragraphs 3.27 and 3.28. The current JOSCs in operation will continue without need for further confirmation. The applicable salaries are set out in the following determinations.

Determination 14: The salary level for a chair of a Joint Overview and Scrutiny Committee shall be £8,793.

Determination 15: The salary level for a vice chair of a Joint Overview and Scrutiny Committee shall be £4,396.

5. Pension Provision for Elected Members of Principal Councils

- 5.1 The Local Government (Wales) Measure 2011 provides a power to the Panel to make determinations on pension entitlement for elected members of principal councils.

Determination 16: The entitlement to join the Local Government Pension Scheme (LGPS) shall apply to all eligible elected members of principal councils.

6. Entitlement to Family Absence

This section applies to elected members of principal authorities.

- 6.1 The Regulations relating to Family Absence for elected members of principal councils were approved by the National Assembly for Wales in November 2013⁵ and cover maternity, new-born, adoption and parental absences from official business.
- 6.2 The Panel considered the implications for the remuneration of such members who are given absence under the terms of the Welsh Government Regulations and the Panel's determinations are set out below.

Determination 17: An elected member is entitled to retain a basic salary when taking family absence under the original regulations or any amendment to the regulations irrespective of the attendance record immediately preceding the commencement of the family absence.

Determination 18: When a senior salary holder is eligible for family absence, they will continue to receive the salary for the duration of the absence.

Determination 19: It is a matter for the authority to decide whether or not to make a substitute appointment. The elected member substituting for a senior salary holder taking family absence will be eligible to be paid a senior salary, if the authority so decides.

Determination 20: If the paid substitution results in the authority exceeding the maximum number of senior salaries which relates to it, as set out in the Panel's Annual Report, an addition to the maximum will be allowed for the duration of the substitution. However, this will not apply to the Isle of Anglesey or Merthyr Tydfil Councils if it would result in the number of senior salaries exceeding fifty percent of the Council membership. Specific approval of Welsh Ministers is required in such circumstances.

Determination 21: When a Council agrees a paid substitution for family absence the Panel must be informed within 14 days of the date of the decision, of the details including the particular post and the duration of the substitution.

Determination 22: The Council's schedule of remuneration must be amended to reflect the implication of the family absence.

7. Payments to Members of National Park Authorities (NPAs)

Structure of National Park Authorities

- 7.1 The three national parks in Wales - Brecon Beacons, Pembrokeshire Coast and Snowdonia were formed to protect spectacular landscapes and provide recreation opportunities for the public. The Environment Act 1995 led to the creation of a National Park Authority (NPA) for each park.
- 7.2 National park authorities comprise members who are either elected members nominated by the principal councils within the national park area or are members appointed by the Welsh Government through the Public Appointments process. Welsh Government appointed and council nominated members are treated equally in relation to remuneration.
- 7.3 The structure of the members' committee at each of the three national parks is set out in Table 5.

Table 5: Membership of Welsh National Park Authorities

National Park Authority	Total Membership	Principal Council Members	Welsh Government appointed Members
Brecon Beacons	18	12: Blaenau Gwent County Borough Council – 1 Carmarthenshire County Council – 1 Merthyr Tydfil County Borough Council – 1 Monmouthshire County Council – 1 Powys County Council – 6 Rhondda Cynon Taf County Borough Council - 1 Torfaen County Borough Council – 1	6
Pembrokeshire Coast	18	12: Pembrokeshire County Council – 12	6
Snowdonia	18	12: Conwy County Borough Council – 3 Gwynedd Council – 9	6

- 7.4 Standards Committees of NPAs also have independent co-opted members whose remuneration is included in the Framework as set out in [Section 9](#).
- 7.5 The Panel has based its determinations on the following key points:
- NPAs manage their work via formal authority meetings, committees and task and finish groups. Each has a Development, Management and or Planning Committee, and other committees include Performance and

Resources and Audit and Scrutiny. Ordinary NPA members are members of at least one committee as well as being involved in site visits and inspection panels.

- There is an expectation that members will participate in training and development.
- The chair of an NPA has a leadership and influencing role in the authority, a representational role similar in some respects to that of a civic head and a high level of accountability. The chair is not only the leader of the authority but is also the public face of the particular national park and is the link with the Minister and MS' with whom they have regular meetings. The role requires a high level of commitment and time.

Basic and senior salaries

- 7.6 The time commitment on which the remuneration of members is based is 44 days. The salary for members of NPAs will increase to £4,738.
- 7.7 The Panel has determined that the remuneration of a NPA chair should be aligned to that part of a Band 3 senior salary received by a committee chair of a principal council. This salary will increase to £13,531.
- 7.8 NPAs can determine the number of senior posts it requires as appropriate to its governance arrangements.
- 7.9 The Panel has made the following determinations:

Determination 23: The basic salary for NPA ordinary members shall be £4,738 with effect from 1 April 2022.

Determination 24: The senior salary of the chair of a NPA shall be £13,531 with effect from 1 April 2022.

Determination 25: A NPA senior salary of £8,478 must be paid to a deputy chair where appointed.

Determination 26: Committee chairs or other senior posts can be paid. This shall be paid at £8,478.

Determination 27: Members must not receive more than one NPA senior salary.

Determination 28: A NPA senior salary is paid inclusive of the NPA basic salary.

Determination 29: Members of a principal council in receipt of a Band 1 or Band 2 senior salary cannot receive a salary from any NPA to which they have been appointed. Where this situation applies, it is the responsibility of the individual member to comply.

Note: Family absence does not apply to Welsh Government appointed members and local authority nominees are covered by their principal council so NPAs are not required to make any arrangements in this respect.

8. Payments to Members of Welsh Fire and Rescue Authorities (FRAs)

Structure of Fire and Rescue Authorities

- 8.1 The three fire and rescue services (FRAs) in Wales: Mid and West Wales, North Wales and South Wales were formed as part of Local Government re-organisation in 1996.
- 8.2 FRAs comprise elected members who are nominated by the Principal Councils within each fire and rescue service area.
- 8.3 The structure of the each of the three FRAs is set out in Table 6.

Table 6: Membership of Fire and Rescue Authorities

Name of Fire and Rescue Authority	Number of Local Authority Members
Mid and West Wales	25: Carmarthenshire County Council – 5 Ceredigion County Council – 2 Neath Port Talbot County Borough Council – 4 Pembrokeshire County Council – 3 Powys County Council – 4 Swansea City and County Council – 7
North Wales	28: Conwy County Borough Council – 5 Denbighshire County Council – 4 Flintshire County Council – 6 Gwynedd Council – 5 Isle of Anglesey County Council – 3 Wrexham County Borough Council – 5
South Wales	24: Bridgend County Borough Council – 2 Blaenau Gwent County Borough Council – 1 Caerphilly County Borough Council – 3 Cardiff City Council – 5 Merthyr Tydfil County Borough Council – 1 Monmouthshire County Council – 2 Newport City Council - 2 Rhondda Cynon Taf County Borough Council - 4 Torfaen County Borough Council – 2 Vale of Glamorgan Council -2

- 8.4 In addition, Standards Committees of FRAs have independent co-opted members whose remuneration is included in the Framework as set out in [Section 9](#).

8.5 In considering remuneration of members of FRAs, the Panel has based its determinations on the following key points:

- The Chair has a leadership and influencing role in the authority, and a high level of accountability especially when controversial issues relating to the emergency service arise. In addition to fire authority meetings, all FRAs have committees that include in different combinations: audit, performance management, scrutiny, human resources, resource management as well as task and finish groups and disciplinary Panels. As well as attending formal meetings of the authority and committees, members are encouraged to take on a community engagement role, including visiting fire stations.
- There is a strong training ethos in FRAs. Members are expected to participate in training and development. Induction programmes are available as well as specialist training for appeals and disciplinary hearings.
- Training sessions often follow on from authority meetings to make the training accessible.

Basic and Senior Salaries

8.6 The time commitment on which remuneration is based is 22 days. The salary for members of FRAs will increase to £2,369.

8.7 The Panel determined that the remuneration of a FRA chair should be aligned to that part of a Band 3 senior salary received by a committee chair of a principal council. This salary will increase to £11,162.

8.8 The Panel determined that the remuneration of a FRA deputy chair will be aligned with the Band 5 senior salary for principal councils. This will increase to £6,109 and must be paid if the authority appoints a deputy chair.

8.9 FRAs determine the number of senior posts it requires as appropriate to its governance arrangements. Committee chairs and any other senior post if remunerated will be aligned with Band 5. This will increase to £6,109.

Local Pension Boards

8.10 The Panel has considered requests from FRAs to allow them to pay salaries to chairs of local pension boards established under the Firefighters' Pension Scheme (Wales) Regulations 2015. Those Regulations already give FRAs the power to decide how local pension boards are to work and to pay the chair and members if they wish. Therefore, it is not appropriate for the Panel to make a determination empowering FRAs to pay salaries to local pension board chairs. The senior salaries in Determination 31 or 32 cannot be used exclusively for this role.

8.11 The Panel has made the following determinations:

Determination 30: The basic salary for FRA ordinary members shall be £2,369 with effect from 1 April 2022.

Determination 31: The senior salary of the chair of an FRA shall be £11,162 with effect from 1 April 2022.

Determination 32: A FRA senior salary of £6,109 must be paid to the deputy chair where appointed.

Determination 33: Chairs of committees or other senior posts can be paid. This shall be paid at £6,109.

Determination 34: Members must not receive more than one FRA senior salary.

Determination 35: A FRA senior salary is paid inclusive of the FRA basic salary and must reflect significant and sustained responsibility.

Determination 36: Members of a principal council in receipt of a Band 1 or Band 2 senior salary cannot receive a salary from any FRA to which they have been nominated. Where this situation applies, it is the responsibility of the individual member to comply

9. Payments to Co-opted Members of Principal Councils, National Park Authorities and Fire & Rescue Authorities⁶

- 9.1 The Panel has determined that a daily or half daily fee is appropriate remuneration for the important role undertaken by co-opted members of authorities with voting rights.
- 9.2 The number of days in any one year for which co-opted members may be paid varies and reflects the specific work discharged by the relevant committee. This context for payment therefore differs from that for elected members of principal councils which provides a monthly payment. Many elected members of principal councils report that they rely on this as part of a core income without which they would be unable to continue in the role.
- 9.3 In dialogue with the Panel, co-opted members acknowledge the importance of fees they receive but do not identify these payments as an income for living upon which they depend. Panel determinations in relation to co-opted member fees occur in this context and any uplifts are therefore not comparable with the changes to salaries of elected members.
- 9.4 Recognising the important role that co-opted members discharge, payment must be made for travel and preparation time; committee and other types of meetings as well as other activities, including training, as set out in Determinations 38 to 41.
- 9.5 The determinations are set out below. Principal councils, NPAs and FRAs must tell co-opted members the name of the appropriate officer who will provide them with the information required for their claims; and make the appropriate officer aware of the range of payments that should be made.

Determination 37: Principal Councils, NPAs and FRAs must pay the following fees to co-opted members who have voting rights (Table 7).

Table 7: Fees for co-opted members (with voting rights)

Chairs of standards, and audit committees	£268 (4 hours and over) £134 (up to 4 hours)
Ordinary Members of Standards Committees who also chair Standards Committees for Community and Town Councils	£238 daily fee (4 hours and over) £119 (up to 4 hours)
Ordinary Members of Standards Committees; Education Scrutiny Committee; Crime and Disorder Scrutiny Committee and Audit Committee	£210 (4 hours and over) £105 (up to 4 hours)
Community and Town Councillors sitting on Principal Council Standards Committees	£210 (4 hours and over) £105 (up to 4 hours)

Determination 38: Reasonable time for pre-meeting preparation is to be included in claims made by co-opted members the extent of which can be determined by the appropriate officer in advance of the meeting.

Determination 39: Travelling time to and from the place of the meeting is to be included in the claims for payments made by co-opted members (up to the maximum of the daily rate).

Determination 40: The appropriate officer within the authority must determine in advance whether a meeting is programmed for a full day and the fee will be paid on the basis of this determination even if the meeting finishes before four hours has elapsed.

Determination 41: Fees must be paid for meetings and other activities including other committees and working groups (including task and finish groups), pre-meetings with officers, training and attendance at conferences or any other formal meeting to which co-opted members are requested to attend.

Support for co-opted members

Determination 42: Each authority, through its Democratic Services Committee or other appropriate committee, must ensure that all voting co-opted members are given as much support as is necessary to enable them to fulfil their duties effectively. Such support should be without cost to the individual member.

⁶This section does not apply to co-opted members to community and town councils.

10. Contribution towards Costs of Care and Personal Assistance (CPA)

- 10.1 This section applies to all members of principal councils, NPAs, FRAs and to co-opted members of these authorities. The same provision applies to community and town councils.
- 10.2 The purpose of this section is to enable people who have personal support needs and or caring responsibilities to carry out their duties effectively as a member of an authority. The Panel believes that additional costs of care required to carry out approved duties should not deter any individual from becoming and remaining a member of an authority or limit their ability to carry out the role. The Panel has adopted specific principles related to support for the costs of care which were the subject of a [Supplementary Report](#) published in February 2020. These principles are set out in Table 8.
- 10.3 The Panel reviewed the arrangements for this financial support and has made the following changes:
- a) As payments are taxable under the current HMRC rules, full reimbursement is not possible so for clarity this is retitled to “contribution towards the costs of care and personal assistance”. It will still require receipts to accompany claims.
 - b) Claims can be made in respect of a dependant under 16 years of age, or a minor or adult who normally lives with the member as part of their family and who cannot be left unsupervised.
 - c) Reimbursement may be claimed for member’s own care or support needs where the support and/or cost of any additional needs are not available or are not met directly by the authority such as Access to Work, Personal Independence Payments, insurance. These could arise when the needs are recent and or temporary.
- 10.4 Members, including co-opted members are entitled to claim towards the costs of care and personal assistance, for activities that the individual council has designated official business or an approved duty which might include appropriate and reasonable preparation and travelling time. It is a matter for individual authorities to determine specific arrangements to implement this. Each authority must ensure that any payments made are appropriately linked to official business or approved duty.
- 10.5 The Panel reviewed the maximum monthly payment in recognition that this has not changed for several years. Information indicates that monthly costs and claims vary considerably. These can depend on the number of dependants, their ages and other factors. Therefore the monthly cap will be replaced with the following arrangements:
- Formal (registered with Care Inspectorate Wales) care costs to be paid as evidenced.

- Informal (unregistered) care costs to be paid up to a maximum rate equivalent to [hourly rates as defined by the Living Wage Foundation](#) at the time the costs are incurred.

For clarification, care costs cannot be paid to someone who is a part of a member’s household.

10.6 The Panel continues to recognise the issues relating to the publication of this legitimate expense and has retained the requirements for publication set out in [Annex 4](#). To support current members and to encourage diversity the Panel urges authorities to promote and encourage greater take-up of the contribution towards costs of care and personal assistance.

Table 8

The Panel’s principles relating to Care and Personal Assistance (CPA)

The Minimum Authorities should do		How this could be done
Be clear who it is for	<p>Members with primary caring responsibilities for a child or adult and/or personal support needs where these are not covered by statutory or other provision.</p> <p>Claims for personal support might also include a short term or recent condition not covered by the Equality Act 2010, access to work, Personal Payments, insurance or other provision.</p>	A confidential review of the needs of individual members annually and when circumstances change
Raise Awareness	Ensure potential candidates, candidates and current members are aware that financial support is available to them should their current or future circumstances require.	Ensure clear and easily accessible information is available on website and in election and appointment materials, at Shadowing and at induction and in the members’ “handbook”. Remind serving members via email and or training. Signpost to Panel’s Payments to Councillors leaflets.
Promote a Positive Culture	Ensure all members understand the reason for CPA and support and encourage others to claim where needed.	Encouragement within and across all parties of relevant authorities to support members to claim.

The Minimum Authorities should do		How this could be done
		Agree not to advertise or make public individual decisions not to claim.
Set out the approved duties for which CPA can be claimed	<p>Meetings – formal (those called by the authority) and those necessary to members’ work (to deal with constituency but not party issues) and personal development (training, and appraisals.)</p> <p>Travel – in connection with meetings.</p> <p>Preparation – reading and administration are part of a member’s role. Some meetings and committees require large amounts of reading, analysis or drafting before or after a meeting.</p> <p>Senior salary holders with additional duties may have higher costs.</p>	<p>Approved duties are usually a matter of fact. Interpretation of the Panel’s Regulations are set out in the Annual Report.</p> <p>“Any other duty approved by the authority, or any duty of class so approved, undertaken for the purpose of, or in connection with, the discharge of the functions of the authority or any of its committees.”</p>
Be as enabling as possible about the types of care that can be claimed	<p>Members should not be out of pocket subject to the limit set in the Annual Report.</p> <p>Models of care and needs vary. Members may use a combination of several care options.</p> <p>Patterns of care may alter over the civic and academic year.</p> <p>Not all care is based on hourly (or part hourly) rates.</p> <p>Where a whole session must be paid for, this must be reimbursed even where the care need is only for part of a session.</p> <p>Members may need to:</p> <ul style="list-style-type: none"> • book and pay for sessions in advance • commit to a block contract: week, month or term • pay for sessions cancelled at short notice <p>Where care need straddles two sessions both should be reimbursed.</p>	

The Minimum Authorities should do		How this could be done
Have a simple and effective claim process	<p>Members should know how to claim.</p> <p>The claim process should be clear, proportionate and auditable.</p>	<p>Check members understand how to claim and that it is easy to do so.</p> <p>Flexibility to accept paperless invoices</p> <p>Online form</p> <p>Same or similar form to travel costs claim</p>
Comply with Panel's Publication rules	<p>The Panel's Framework states:</p> <p>"In respect of the publication of the reimbursement of the costs of care, the Panel has decided that relevant authorities should only publish the total amount reimbursed during the year. It is a matter for each authority to determine its response to any Freedom of Information requests it receives. However, it is not intended that details of individual claims should be disclosed."</p>	

Determination 43: All relevant authorities must provide a payment towards necessary costs for the care of dependent children and adults (provided by informal or formal carers) and for personal assistance needs as follows:

- **Formal (registered with Care Inspectorate Wales) care costs to be paid as evidenced.**
- **Informal (unregistered) care costs to be paid up to a maximum rate equivalent to the [hourly rates as defined by the Living Wage Foundation](#) at the time the costs are incurred.**

This must be for the additional costs incurred by members to enable them to carry out official business or approved duties. Each authority must ensure that any payments made are appropriately linked to official business or approved duty. Payment shall only be made on production of receipts from the care provider.

11. Sickness Absence for Senior Salary Holders

11.1 The Family Absence Regulations (approved by the National Assembly in 2014) are very specific relating to entitlement and only available for elected members of principal councils. Absence for reasons of ill-health is not included.

11.2 Instances have been raised with the Panel of senior salary holders on long term sickness and the perceived unfairness in comparison with the arrangements for family absence. In consequence, councils are faced with the dilemma of:

- operating without the individual member but still paying them the senior salary.
- replacing the member who therefore loses the senior salary (but retains the basic salary).

11.3 The Panel's Framework provides specific arrangements for long term sickness as set out below:

- a) Long term sickness is defined as certified absences in excess of 4 weeks.
- b) The maximum length of sickness absence within these proposals is 26 weeks or until the individual's term of office ends, whichever is sooner (but if reappointed any remaining balance of the 26 weeks will be included).
- c) Within these parameters a senior salary holder on long term sickness can, if the authority decides, continue to receive remuneration for the post held.
- d) It is a decision of the authority whether to make a substitute appointment, but the substitute will be eligible to be paid the senior salary appropriate to the post.
- e) If the paid substitution results in the authority exceeding the maximum number of senior salaries payable for that authority, as set out in the Annual Report, an addition will be allowed for the duration of the substitution. (However, this would not apply to Merthyr Tydfil or the Isle of Anglesey councils if it would result in more than 50% of the membership receiving a senior salary. It would also not apply in respect of a council executive member if it would result in the cabinet exceeding 10 posts - the statutory maximum).
- f) When an authority agrees a paid substitution, the Panel must be informed within 14 days of the decision of the details including the specific post and the estimated length of the substitution. The authorities' Schedule of Remuneration must be amended accordingly.
- g) It does not apply to elected members of principal councils who are not senior post holders as they continue to receive basic salary for at least

six months irrespective of attendance and any extension beyond this timescale is a matter for the authority.

- 11.4 This arrangement applies to members of principal councils, NPAs and FRAs who are senior salary holders, including Welsh Government appointed members, but does not apply to co-opted members.

Note:

The Family Absence Regulations apply to elected members in cases of maternity, new-born, adoption and parental absences from official business. They do not apply to Welsh Government appointed members of NPAs.

12. Reimbursement of Travel and Subsistence Costs when on Official Business

- 12.1 This section applies to members of principal councils, NPAs, FRAs and to co-opted members of these authorities. (Similar provision for community and town councils is contained in Section 13 as there is a different approach to such members, principally that the provision is permissive.)
- 12.2 Members may claim reimbursement for travel and subsistence (meals and accommodation) costs where these have arisen as a result of undertaking official business or approved duties.
- 12.3 Expenses reimbursed to members of principal councils, by their principal council are exempt from Income Tax and employee NICs. Members of NPAs and FR As may be subject to other arrangements as determined by HMRC.
- 12.4 The Panel is aware that in some instances members with disabilities have been reluctant to claim legitimate travel expenses because of an adverse response following the publication of their travel costs. As an alternative, travel arrangements could be made directly by the authority in such circumstances.
- 12.5 The Panel has determined there will be no change to mileage rates which members are entitled to claim. All authorities may only reimburse travel costs for their members undertaking official business within and or outside the authority's boundaries at the current HM Revenue and Customs (HMRC) rates which are:

Reimbursement of mileage costs

45p per mile	Up to 10,000 miles in a year by car
25p per mile	Over 10,000 miles in a year by car
5p per mile	Per passenger carried on authority business
24p per mile	Motorcycles
20p per mile	Bicycles

- 12.6 Where a member who is on official business or an approved duty is driven by a third party (not a member or officer of that authority), the member can claim mileage at the prescribed rates plus any parking or toll fees provided the authority is satisfied that the member has incurred these costs.

Reimbursement of other travel costs

- 12.7 All other claims for travel, including travel by taxi if this is the only, or most appropriate, method of transport, must only be reimbursed on production

of receipts showing the actual cost and will be subject to any requirement or further limitation that an authority may determine. Members should always be mindful of choosing the most cost-effective method of travel.

Reimbursement of subsistence costs

£28 per day	Day allowance for meals, including breakfast, where not provided in the overnight charge
£200 per night	London
£95 per night	Elsewhere
£30 per night	Staying with friends and or family

- 12.8 These rates are in line with Welsh Government rates. Recommended practice is that overnight accommodation should usually be reserved and paid for on behalf of members by the relevant authority, in which case an authority may set its own reasonable limits and the limits which apply when an individual member claims in arrears for overnight accommodation costs do not then apply.
- 12.9 All authorities must continue to reimburse subsistence expenses for their members up to the maximum rates set out above on the basis of receipted claims except for occasions when members stay with friends and or family.
- 12.10 There may be instances where an authority has determined that travel costs within its boundaries are payable and require a journey to be repeated on consecutive days. Where it is reasonable and cost effective to reimburse overnight accommodation costs, instead of repeated daily mileage costs, then it is permissible to do so.
- 12.11 It is not necessary to allocate the maximum daily rate (£28 per day) between different meals as the maximum daily rate reimbursable covers a 24-hour period and can be claimed for any meal if relevant, provided such a claim is accompanied by receipts.

Car Parking for Members

Several councils have specific arrangements for their members in respect of car parking. The Panel considers that it is a matter for individual councils to determine arrangements including payments to and from members providing that it is a decision made formally by the council.

13. Payments to Members of Community and Town Councils

- 13.1 The Panel recognises a wide variation in geography, scope and scale across the 735 community and town councils in Wales, from small community councils with relatively minimal expenditure and few meetings to large town councils with significant assets and responsibilities. This and the fact that not all electoral areas have councils, has made establishing remuneration arrangements more difficult to achieve than for other relevant authorities. For this reason, the Panel decided to undertake a fundamental review ready for implementation effective from the elections on 5 May 2022.
- 13.2 The Panel decided that in carrying out the review it was vital to engage comprehensively with community and town councils and representative organisations together with a commitment to consult on the proposals emanating from the review. The result of this consultation was a significant degree of support for the new proposals and therefore the Panel has decided to introduce the new Framework as set out in this section.
- 13.3 In order to act and carry out duties as a member of a community or town council all persons are required to make a formal declaration of acceptance of office. Following this declaration, members of community or town councils are then holders of elected office and occupy a role that is part of the Welsh local government structure. It is important to note that a person who follows this path is in a different position to those in other forms of activity, for example such as volunteering or charitable work, typically governed by the Charity Commission for England and Wales.
- 13.4 Under the Local Government (Wales) Measure 2011, community and town councils are relevant authorities for the purpose of remuneration.
- 13.5 Consequently, individuals who have accepted office as a member of a community or town council are entitled to receive payments as determined by the Independent Remuneration Panel for Wales. It is the duty of the proper officer of a council (usually the Council Clerk) to arrange for correct payments to be made to all individuals entitled to receive them.
- 13.6 Members should receive monies to which they are properly entitled as a matter of course.
- 13.7 An individual may decline to receive part, or all, of the payments if they so wish. This must be done in writing and is an individual matter. A community or town council member wishing to decline payments must themselves write to their proper officer to do so.
- 13.8 The Panel considers that any member who has personal support needs or caring responsibilities should be enabled to fulfil their role. Therefore, the Panel continues to make the contribution towards costs of care and personal allowance mandatory for all members of community and town councils as set

out in Determination 43.

- 13.9 Each community and town council must ensure that it does not create a climate which prevents persons accessing any monies to which they are entitled that may support them to participate in local democracy. Payments should be made efficiently and promptly.
- 13.10 Members in receipt of a Band 1 or Band 2 senior salary from a principal council cannot receive any payment from any community or town council, other than travel and subsistence expenses and contribution towards costs of care and personal assistance. However, this does not preclude them from holding a senior role (Leader, Deputy Leader) without payment.
- 13.11 Table 12 sets out the actions that community and town councils must take annually in respect of each determination that follows.

Table 9: Community and Town Council Groupings

The current groups are:

Community and Town Council Group	Income or Expenditure in 2020-2021 of:
A	£200,000 and above
B	£30,000 - £199,999
C	Below £30,000

- 13.12 These are based solely on finance. We acknowledge the view of many respondents that this was restrictive and limiting. Therefore 5 Groups will be established based on the size of the council's electorate.

Table 10

Group number	Size of Electorate
Group 1	Electorate in excess of 14,000
Group 2	10,000 to 13,999
Group 3	5,000 to 9,999
Group 4	1,000 to 4,999
Group 5	Under 1,000

- 13.13 In addition, there will be a second factor for determining which group the council will be placed. Where income or expenditure exceeds £200,000 a year, it will be moved upwards to the next group.

Payments towards costs and expenses

- 13.14 The Panel continues to mandate a payment of £150, except for councils in

Group 5 where it will be optional, as a contribution to costs and expenses for members of community and town councils.

13.15 Receipts are not required for these payments.

Determination 44: Community and town councils must make available a payment to each of their members of £150 per year as a contribution to costs and expenses, with the exception of those councils in Group 5 where the payment is optional.

Taxation

13.16 The issue of the taxation of the £150 payment has been raised on many occasions and included in the responses to the recent consultation. As has been made clear the Panel has no remit in respect of matters of taxation but has been kept informed of the discussions between the Welsh Government and HMRC to establish a possible exemption applying to all community and town councils. If there is a positive outcome, it will not be within the timescale of this draft Report. However, if it is achieved before the publication of the final Report the Panel will take the opportunity to restructure the arrangements for this payment and if appropriate adjust by determination the amount to be paid.

Senior roles

13.17 The Panel recognises that specific member roles especially within the larger community and town councils, for example a committee chair, will involve greater responsibility. It is also likely that larger councils will have a greater number of committees, reflecting its level of activity. The Panel has therefore set out the determinations for senior role in table 11 below.

13.18 In all cases, a councillor can only have one payment of £500 regardless of how many senior roles they hold within their Council.

13.19 Where a person is a member of more than one community or town council, they are eligible to receive the £150 and, if appropriate, £500 from each council of which they are a member.

Contribution towards costs of Care and Personal Assistance

13.20 The purpose of this is to enable people who have personal support needs and or caring responsibilities to carry out their duties effectively as a member of an authority. The Panel's determinations in [Section 10](#) apply to Community and Town Councils.

Reimbursement of travel costs and subsistence costs

13.21 The Panel recognises there can be significant travel and subsistence costs associated with the work of community and town council members, especially

where the council area is geographically large and/or when engaging in duties outside this area. Each council has an option to pay travel and subsistence costs including travel by taxi if this is the only, or most appropriate, method of transport. Where a council does opt to pay travel and subsistence costs, the following determinations apply.

Determination 45: Community and town councils can make payments to each of their members in respect of travel costs for attending approved duties.⁷ Such payments must be the actual costs of travel by public transport or the HMRC mileage allowances as below:

- 45p per mile up to 10,000 miles in the year.
- 25p per mile over 10,000 miles.
- 5p per mile per passenger carried on authority business.
- 24p per mile for private motor cycles.
- 20p per mile for bicycles.

Determination 46: If a community or town Council resolves that a particular duty requires an overnight stay, it can authorise reimbursement of subsistence expenses to its members at the maximum rates set out below on the basis of receipted claims:

- £28 per 24-hour period allowance for meals, including breakfast where not provided.
- £200 – London overnight.
- £95 – elsewhere overnight.
- £30 – staying with friends and/or family overnight.

Compensation for financial loss

13.22 The Panel has retained the facility which councils may pay as compensation to their members where they incur financial loss when attending approved duties. Members must be able to demonstrate that the financial loss has been incurred. Each council has an option to pay compensation for financial loss and where it does the following determination applies.

Determination 47: Community and town councils can pay financial loss compensation to each of their members, where such loss has occurred, for attending approved duties as follows:

- Up to £55.50 for each period not exceeding 4 hours
- Up to £110.00 for each period exceeding 4 hours but not exceeding 24 hours

⁷ Where a member who is on official business or an approved duty is driven by a third party (not a member or officer of that

authority), the member can claim mileage at the prescribed rates plus any parking or toll fees provided the authority is satisfied that the member has incurred these costs.

Attendance Allowance

- 13.23 One of the points raised in the responses to the consultation should be the inclusion of an attendance allowance. The Panel acknowledges that in some cases this might be a valuable addition to support the work of a council. It is therefore included as an option for all councils.

Determination 48: Each council can decide to introduce an attendance allowance for members. The amount of each payment must not exceed £30. A member in receipt of financial loss compensation will not be entitled to claim attendance allowance for the same event.

Councils that intend to introduce an attendance allowance must set out the details of the scheme and publish them on their website.

Civic Head and Deputy Civic Head

- 13.24 Civic heads are senior posts within community and town councils. In addition to chairing major meetings the civic head is the ambassador representing the council to a variety of institutions and organisations. The Panel requires that members should not have to pay themselves for any cost associated with carrying out these duties. This requirement also applies in respect of deputy civic heads.
- 13.25 The Panel recognises the wide range of provision made for civic heads in respect of transport, secretarial support, charitable giving and official clothing – we consider these to be the council’s civic budgets.
- 13.26 Funding decisions in relation to these civic budgets are not matters of personal remuneration for the post holder but relate to the funding required for the tasks and duties to be carried out. Councils remain free to set civic budgets at whatever levels they deem appropriate for the levels of civic leadership they have in place.
- 13.27 For the avoidance of doubt, costs in respect of, for example, transport (physical transport or mileage costs), secretarial support, charitable giving (purchasing tickets, making donations or buying raffle tickets) and official clothing are not matters of personal remuneration for the individual holding the senior post. These should be covered by the civic budget.
- 13.28 Recognising that some mayors and chairs of community and town councils and their deputies are very active during their year of office, the Panel has determined that community and town councils can make a payment to the individuals holding these roles.
- 13.29 This is a personal payment to the individual and is entirely separate from covering the costs set out above.
- 13.30 The Panel has determined that the maximum payment to a chair or mayor of

a community or town council is £1,500. The maximum payment to a deputy mayor or chair is £500.

Determination 49: Community and town councils can provide a payment to the mayor or chair of the council up to a maximum of £1,500. This is in addition to the £150 payment for costs and expenses and the £500 senior salary if these are claimed.

Determination 50: Community and town councils can provide a payment to the deputy mayor or deputy chair of the council up to a maximum of £500. This is in addition to the £150 payment for costs and expenses and the £500 senior salary if these are claimed.

Determination 51: The application of the Remuneration Framework by relevant Group.

Making Payments to Members

- 13.31 Table 12 sets out each of the above determinations and if a decision is required by the council in respect of each one.
- 13.32 In respect of the mandated payments where no decision is required by a council, members should receive monies to which they are properly entitled as a matter of course.
- 13.33 Where a decision is required by the council, this should be done at the first meeting following receipt of the Annual Report.
- 13.34 A council can adopt any, or all, of the non-mandated determinations but if it does make such a decision, it must apply to all its members.
- 13.35 When payments take effect from is set out in paragraphs 13.37 to 13.39 below.
- 13.36 On receipt of the draft Annual Report the previous autumn, councils should consider the determinations for the next financial year and use this to inform budget plans.

Table 12

Determination Number	Is a decision required by council?
44 Community and town councils must make available a payment to each of their members of £150 per year as a contribution to costs and expenses, with the exception of those councils in Group 5 where the payment is optional.	No - the payment of £150 is mandated for every member unless they advise the appropriate officer that they do not want to take it in writing. This does not apply to councils in Group 5. The council must decide whether to adopt the payment and if so, it must be available for all members.
45 Community and town councils can make payments to each of their members in respect of travel costs for attending approved duties.	Yes – the payment of travel costs is optional.

Determination Number	Is a decision required by council?
<p>46 If a community or town council resolves that a particular duty requires an overnight stay, it can authorise reimbursement of subsistence expenses to its members.</p>	<p>Yes – the payment of overnight subsistence expenses is optional.</p>
<p>47 Community and town councils can pay financial loss compensation to each of their members, where such loss has actually occurred, for attending approved duties.</p>	<p>Yes – the payment of financial loss compensation is mandatory if claimed</p>
<p>48 Determination 47: Each council can decide to introduce an attendance allowance for members. The amount of each payment must not exceed £30.</p> <p>A member in receipt of financial loss will not be entitled to claim attendance allowance for the same event.</p> <p>Councils that intend to introduce a system of attendance allowances must set out the details of the scheme and publish on their website.</p>	<p>Yes – the payment of attendance allowance is optional.</p>

<p>50 Community and town councils can provide a payment to the deputy mayor or deputy chair of the council up to a maximum amount of £500.</p>	<p>Yes – the payment to a deputy civic head is optional.</p>
<p>51 The application of the Remuneration Framework by relevant Group</p>	
<p>52 Members in receipt of a Band 1 or Band 2 senior salary from a principal council (that is leader, deputy leader or executive member) cannot receive any payment from any community or town council, other than travel and subsistence expenses and contribution towards costs of care and personal assistance.</p>	<p>No - Members in receipt of a Band 1 or Band 2 senior salary from a principal council (that is leader, deputy leader or executive member) can only receive travel and subsistence expenses and contribution towards costs of care and personal assistance; if they are eligible to claim, and wish to do so.</p>

13.37 All members are eligible to be paid the £150 as set out in Determination 44 and Table 11 from the start of the financial year; unless they are elected later in the financial year, in which case they are eligible for a proportionate payment from that date.

13.38 Other amounts payable to members in recognition of specific responsibilities or as a civic head or deputy civic head as set out in Determinations 49 and 50 are payable from the date when the member takes up the role during the financial year.

13.39 It is a matter for each council to make, and record, a policy decision in respect of:

- when the payment is actually made to the member;
- how many payments the total amount payable is broken down into;
- and whether and how to recover any payments made to a member who leaves or changes their role during the financial year.

13.40 Payments in respect of Determinations 45, 46, 47 and 48 are payable when the activity they relate to has taken place.

13.41 As stated in paragraph 13.7 any individual member may make a personal decision to elect to forgo part or all of the entitlement to any of these payments by giving notice in writing to the proper officer of the council.

Determination 52: Members in receipt of a Band 1 or Band 2 senior salary from a principal council (that is Leader, Deputy Leader or Executive Member) cannot receive any payment from any community or town Council, other than travel and subsistence expenses and contribution towards costs of care and personal assistance.

Publicity requirements

13.42 There is a requirement on community and town councils to publish details of all payments made to individual members in an annual Statement of Payments for each financial year. This information must be published on council noticeboards and or websites (with easy access) and provided to the Panel by email or by post no later than 30 September following the end of the previous financial year. The Panel draws attention to the requirements stipulated at [Annex 4](#). The Panel is concerned that a significant number of councils are still in breach of this requirement.

14. Compliance with Panel Requirements

The Panel's remit under the Measure

- 14.1 Section 153 of the Measure empowers the Panel to require a relevant authority⁸ to comply with the requirements imposed on it by an Annual Report of the Panel and further enables the Panel to monitor the compliance of relevant authorities with the Panel's determinations.
- 14.2 A relevant authority must implement the Panel's determinations in this report from the date of its annual meeting or a date specified within the Annual Report.

Monitoring compliance

- 14.3 The Panel will monitor compliance with the determinations in this Annual Report by relevant authorities against the following requirements:
- (i) A relevant authority must maintain an annual **Schedule of Member Remuneration** (IRPW Regulations 4 and 5). Guidance at Annex 3 sets out the content which must be included in the Schedule.
 - (ii) A relevant authority must make arrangements for the Schedule's publication within the authority area (IRPW Regulation 46) and send the Schedule to the Panel as soon as practicable and not later than 31 July in the year to which it applies. Annex 4 provides further details of the publicity requirements.
 - (iii) Any amendments to the Schedule made during the year must be notified to the Panel as soon as possible after the amendment is made.

Note: The above requirements do not apply to Community and Town Councils at this time.

This must be published as soon as practicable and no later than 30 September following the end of the previous financial year- **and must also be submitted to the Panel no later than that date.**

⁸ Interpretation of "Relevant Authority" provided in the Independent Remuneration Panel for Wales (IRPW) Regulations, Part 1, 'Interpretation'.

15. Salaries of Heads of Paid Service of Principal Councils and Fire and Rescue Authorities and Chief Officers of Principal Councils

- 15.1 Section 63 of the Local Government (Democracy) (Wales) Act 2013 amended the Local Government (Wales) Measure 2011 by inserting section 143A. This enables the Panel to take a view on anything in the Pay Policy Statements of these authorities that relates to the salary of the head of paid service (normally the Head of Paid Service or chief fire officer). Section 39 of the Local Government (Wales) Act 2015 further amended the Measure extending this function to include Chief Officers of Principal Councils. However, this function ceased on 31 March 2020.
- 15.2 The Welsh Government issued amended guidance to the Panel which can be found at [Amended Guidance to the Independent Remuneration Panel for Wales under Section 143A of the Local Government \(Wales\) Measure 2011 and Section 39 of the Local Government \(Wales\) Act 2015](#). This sets the basis on which the Panel will carry out the function contained in the legislation.
- 15.3 The functions of the Panel and the requirements on authorities established by the legislation and the subsequent guidance are:
- a) If a principal council intends to change the salary of the head of paid service, or if a fire and rescue authority intends to change the salary of its head of paid service it must consult the Panel unless the change is in keeping with changes applied to other officers of that authority (whether the change is an increase or decrease). 'Salary' includes payments under a contract for services as well as payments of salary under an employment contract.
 - b) The authority must have regard to the recommendation(s) of the Panel when reaching its decision.
 - c) The Panel may seek any information that it considers necessary to reach a conclusion and produce a recommendation. The authority is obliged to provide the information sought by the Panel.
 - d) The Panel may publish any recommendation that it makes as long as these comply with any guidance issued by the Welsh Government. It is the intention that, in the interests of transparency, it will normally do so.
 - e) The Panel's recommendation(s) could indicate:
 - approval of the authority's proposal
 - express concerns about the proposal
 - recommend variations to the proposal
- 15.4 The Panel also has a general power to review the Pay Policy Statements of

authorities so far as they relate to the heads of paid service.

15.5 It is important to note the Panel will not decide the amount an individual head of paid service will receive.

15.6 The Panel is very aware that this function is significantly different from its statutory responsibilities in relation to members' remuneration. However, it undertakes this role with clarity and openness, taking into account all the relevant factors in respect of specific individual cases. Authorities are encouraged to consult the Panel at an early stage in their decision-making on such matters. This will enable the Panel to respond in a timely manner.

Pay Policy Statements

Paragraph 3.7 of the guidance to the Panel from the Welsh Government states that "The legislation does not restrict the Panel to a reactive role". It allows the Panel to use its power to make recommendations relating to provisions within local authorities' Pay Policy Statements.

14. The Senior Salary will comprise an amalgam of the basic salary and an additional amount for the relevant specific responsibility determined by the Panel in its Annual or Supplementary Reports. This may not be the same for all authorities or categories of authorities.
15. The Panel in its Annual or Supplementary Reports will determine either the maximum proportion of its membership or the total number of members that an authority can pay as senior salaries. The percentage may not exceed fifty percent without the express approval of Welsh Ministers (Section 142(5) of the Measure). For principal councils only, the maximum proportion or number may be exceeded to include payment of a senior salary to an additional member who is appointed to provide temporary cover for the family absence of a senior salary office holder (subject to the 50% limit).
- 15(a). For, Fire and Rescue Authorities and National Park Authorities the maximum proportion or number may be exceeded to include the payment of a senior salary to an additional member who is appointed to provide temporary cover for the sickness absence of a senior salary holder as determined in the Annual Report or a Supplementary Report.
- 15(b). Payments to chairs of Joint Overview and Scrutiny Committees or Sub Committees are additional to the maximum proportion of its membership that an authority can pay as senior salaries subject to the overall maximum of fifty percent as contained in Section 142(5) of the Measure. The Panel will determine the amounts of such payments in an Annual or Supplementary Report.
16. An authority must not pay more than one senior salary to any member. A principal council member in receipt of a senior salary as leader or executive member of an authority (determined as full-time by the Panel) may not receive a second salary as a member appointed to serve on a national park authority or a Welsh fire and rescue authority.
- 16(a). Paragraph 16 does not apply to payments made to a chair of a Joint Overview and Scrutiny Committee or Sub Committee who is in receipt of a senior salary for a role that is not classified as full time equivalent. It continues to apply to leaders or members of the executive.

17. Where a member does not have, throughout the year specific responsibilities that allow entitlement to a senior salary, that member's payment is to be such proportion of the salary as the number of days during which that member has such special responsibility bears to the number of days in that year.
18. Where a member is suspended or partially suspended from being a member of the authority (Part 3 of the 2000 Act refers) the authority must not make payments of the member's senior salary for the duration of the suspension (Section 155(1) of the Measure). If the partial suspension relates only to the specific responsibility element of the payment, the member may retain the basic salary. Payment must also be withheld if directed by the Welsh Ministers.

Co-opted member payment

19. A relevant authority must provide for payments to a co-opted member as determined by the Panel in its Annual or Supplementary Reports. In relation to this regulation 'co-opted member' means a member as determined in Section 144(5) of the Measure and set out in paragraph 2 of these Regulations.
20. Where a co-opted member is suspended or partially suspended from an authority (Part 3 of the 2000 Act refers) the authority must not make payment of a co-opted member fee for the duration of the suspension (Section 155(1) of the Measure).

Payments Contribution to Costs of Care and Personal Assistance

21. Authorities must provide for the payment to members and co-opted members of an authority the reimbursement in respect of such expenses of arranging the care of children or dependants or for the individual member as are necessarily incurred in carrying out official business as a member or co-opted member of that authority. Payments under this paragraph must not be made:
 - In respect of any child over the age of fifteen years or dependant unless the member or co-opted member satisfies the authority that the child or dependant required supervision which has caused the member to incur expenses that were necessary in respect of the care of that child or dependant in the carrying out of the duties of a member or co-opted member.
 - To more than one member or co-opted member of the authority in relation to the care of the same child or dependant for the same episode of care.
 - Of more than one reimbursement for care to a member or co-opted member of the authority who is unable to demonstrate to the satisfaction of the authority that the member or co-opted member has to make separate arrangements for the care of different children or dependants.

22. The arrangements in respect of the contribution to cost of care and personal assistance payable by an authority is to be determined by the Panel in its Annual or Supplementary Reports.
23. Where a member or co-opted member is suspended or partially suspended from being a member or co-opted member of the authority (Part 3 of the 2000 Act refers) the part of the contribution to the cost of care and personal assistance payable to that member or co-opted member in receipt of the responsibilities or duties from which that member or co-opted member is suspended or partially suspended must be withheld by the authority. Payment must also be withheld if directed by the Welsh Ministers for reasons other than suspension (Section 155(1) of the Measure).
24. An authority's Schedule must stipulate the arrangements regarding the contribution towards costs of care and personal assistance payable and its arrangements for making claims, taking full account of the Panel's determinations in this respect.

Travel and subsistence payments

25. Subject to paragraphs 26 and 27 below a member or co-opted member is entitled to receive payments from the authority by way of travelling and subsistence payments at rates determined by the Panel in its Annual or Supplementary Reports. Such payments are in respect of expenditure incurred by a member or co-opted member in the performance of the official business within or outside the boundary of the authority.

(Paragraphs 26 & 27 apply only to principal councils)

26. Payment of a subsistence payment to a principal council member for the performance of official business within the boundaries of a county or county borough where they are a member should only be made when the authority is satisfied that it can be justified on economic grounds. This does not apply in respect of co-opted members of a council who live outside that authority.
27. A principal council may make provision, subject to any limitations it thinks fit, for members to claim mileage expenses for official business in connection with constituency or ward responsibilities where they arise out of the discharge of the functions of the county or county borough.
28. Where a member or co-opted member is suspended or partially suspended from being a member or co-opted member of the authority (Part 3 of the 2000 Act refers), travelling and subsistence payments payable to that member or co-opted member in respect of the responsibilities or duties from which that member is suspended or partially suspended must be withheld by the authority. Payment must also be withheld if directed by the Welsh Ministers for reasons other than suspension (Section 155(1) of the Measure).
