## Cyngor Sir CEREDIGION County Council

**REPORT TO:** Thriving Communities Scrutiny Committee

**DATE:** 20<sup>th</sup> of January and 11<sup>th</sup> March 2022

**LOCATION:** Online

**TITLE:** NRW and DCWW planning and phosphates discussion

**PURPOSE OF REPORT:** To Introduce officers from NRW and DCWW

**REASON SCRUTINY HAVE REQUESTED THE INFORMATION:** Members requested that officers from NRW and DCWW were invited to Scrutiny

**BACKGROUND:** In January 2021 NRW released interim planning advice regarding development with the catchments of riverine SACs in Wales. This advice was to ensure that following compliance monitoring of the river Teifi which was suffering from episodic failure of its Phosphate level monitoring no further development would be allowed which could or potentially could increase phosphate levels in the riverine SAC.

**CURRENT SITUATION:** The guidance issued by NRW, has had significant knock-on impacts across the county namely:

1. 3 of the main USCs of Ceredigion Lampeter, Tregaron, Llandysul and surroundings settlements are affected
2. The Local Development Plan has been put on hold
3. Allocated sites within the affected areas are unable to be delivered (over 500 homes of which 114 were to be affordable)
4. Planning applications have had to be held in abeyance or refused
5. DCWW have confirmed only one WWTP has phosphate stripping in place in CCC (Llandewi Brefi) and there are unconfirmed plans that 1 other (Tregaron) may be included in the 2025-2030 AMP period.
6. Preliminary source apportionment work (From DCWW on the river Wye) demonstrates a significant proportion of phosphates comes from agriculture as well as WWTPs

In previous scrutiny meetings members requested to meet with representatives of NRW and DCWW to discuss the phosphate situation in Ceredigion, as well as issues around WWTP discharging effluent into the other riverine areas of CCC (namely Aberaeron harbour) and response times for consultations by the Development Management service. Therefore, DCWW and NRW were contacted and officers relevant to the topic areas in question agreed to attend.

### 3 **Report on the draft Budget for 2022/23**

The Thriving Communities Overview and Scrutiny Committee Members met to consider the Service budget for those service areas that are within the Committee's remit and to consider the following recommendations:

1. To consider the overall Revenue and Capital Budgets proposed.
2. To consider the estimated Cost pressures being faced (£13.173m across all aspects).
3. To consider the proposed Fees & charges and the resulting estimated £155k additional income to assist with the Savings required.
4. To note the proposed £230k Travelling Savings Target for Officers & Members.
5. To note the £113k Savings Balance still required to be found.
6. To consider the 3 options proposed for Council Tax levels of 4.75%, 5.0% & 5.25%.
7. To provide any other appropriate Draft Budget related feedback to Cabinet.

The Leader of the Council, Councillor Ellen ap Gwynn, presented the report on the draft budget for 2022/2023 including the three year capital

programme, explaining that this is a provisional settlement, and that the final settlement is due on the 1<sup>st</sup> March, 2022.

The Leader also stated that a letter had been received on 17<sup>th</sup> February 2022 from Rebecca Evans MS, Minister for Finance and Local Government announcing an increase of £50m for the local government settlement for 2021-2022. The amount to be allocated to Ceredigion County Council is unknown to date but is likely to be circa £1m. The funding is un-hypothecated (i.e. not allocated to specific services) and can be carried forward in reserves to the 2022-2023 financial year. It was explained that the implications of this additional funding would need to be considered and how that would be allocated for the 2022-2023 budget.

Members welcomed the additional funding but expressed their disappointment that the announcement was late and that it didn't allow for scrutiny to take place based on the new information. The Chief Executive confirmed that information would be presented for Council on 3<sup>rd</sup> March 2022 and that there would be an opportunity for further debate.

The relevant Cabinet Member presented the information relevant to their Service Area. Members were then given the opportunity for questions which were answered in turn by Cabinet Members and/or Officers.

Committee Members considered the Cost Pressures for those service areas that are within the Committee's remit; namely:

- Highways & Environmental Services
- Economy & Regeneration

And:

Committee Members considered the proposed Fees and Charges changes under the

Committee's remit in Appendix D, pages 14 to 15 of 51, of the agenda papers.

The Committee agreed that the 3 options proposed for Council Tax levels would not be discussed at today's meeting due the Welsh Government announcement that an estimated additional £1million had been allocated to Ceredigion Council. Further discussions will take place at Council.

### **Recommendations:**

Following consideration, Members agreed to recommend that Cabinet:

1. **APPROVE** the overall Revenue and Capital Budgets proposed;
2. **APPROVE** the estimated Cost Pressures;
3. **APPROVE** the proposed Fees and Charges as outlined in Enclosure D, appendix 2 of the agenda papers, (pages 16-44 of 51)
4. **AGREED** to note the proposed £230k Travelling Savings Target for Officers & Members;
5. **AGREED** to note the £113k Savings Balance still required to be found; and

6. The Committee also agreed to provide the following appropriate Draft Budget related **recommendations** to Cabinet:

a) that a catamaran is treated the same as a monohull boat for the 2022/23 fees and charges whilst a review of the policy is undertaken. Catamarans should not be discouraged as they are the same size as a mono hull boat, safer, more stable, easier manoeuvrability and better for the environment.

b) that car parking fees are removed at Tregaron and Llandysul.
