Dear Mr R Lloyd.

I have had no reply from my last letter Aug 2020.

has been helpful in contacting his known associates to try to help this ongoing saga.

It is now nearly 3yrs with no good outcome on this very Dangerous Rd.

I enclose another Petition from the residents of Crosswood Park.

Manila seem to get signs and white lines renewed why? Black Cove is having asphalt put down, that will bring more cars to this area and more Caravans to the local caravan site.

What does it take for Highways to help us stay safe.
Yours Sincerely.
