### **3. INFORMATION IN SUPPORT OF YOUR APPLICATION**

**The Aberaeron Coastal Defence Scheme is a multi million pound scheme funded 75% by the Welsh Government and 25% by Ceredigion County Council. It is the second phase of the coastal defence scheme, its first phase focussed on the North Beach area in 2010. The proposed scheme is to defend the town of Aberaeron against a rising tide and to protect the harbour in its entirety; to include its pier's and south beach, from the impact of high tides and storm surges, and to protect the town against a rising sea level. The proposed scheme could/or could not, contribute to the survival of lower Aberaeron and could/or could not, protect businesses who trade in the town, and allow people to be able to reside safely in lower Aberaeron for generations to come.**

**<https://www.ceredigion.gov.uk/your-council/consultations/aberaeron-harbour-coastal-defence-scheme/>**

**My mother's house directly overlooks the car park adjacent to Pwll Cam. The Pwll Cam harbour is part of the proposed scheme. My mother's house is also part of the harbour flood plane, and therefore any proposed works to protect the harbour from flooding could positively impact on her property.**

**Given the above, and in spite of the above, as the local councillor for Aberaeron, I have a duty to the residents who have elected me. It is vital that on this proposed, multi-faceted scheme, which has a direct impact on so many residents, businesses, and the town in general, that I am able to represent their views and opinions when the time comes, as well as representing Ceredigion County Council in a proper and upstanding way, always being mindful of the Members Code of Conduct. It is for this reason that I am requesting dispensation to speak and to represent the interests of the many people outlined above.**

**Note: It has always been my practice never to pre-determine planning applications, even though I am not part of the planning committee.**

Please provide additional (background/ factual) information in order to clarify/explain your interest further, and assist the committee considering this dispensation application.

**(Please note that failure to complete this section will result in the application form being returned to you)**

Please see my interest above.

The **Standards Committee (Grant of Dispensations)(Wales) Regulations 2001** prescribe the circumstances in which the Ethics & Standards Committee may grant a dispensation. The grounds for granting a dispensation are set out below.

(d) the nature of the member's interest is such that the member's participation in the business to which the interest relates would not damage public confidence in the conduct of the relevant authority's business;	<input checked="" type="checkbox"/>

Having been brought up around the harbour in Aberaeron, I have a detailed knowledge of the workings of the harbour, from its tides, over-topping on Pen Cei to which cellars flood. It is also one of my areas of patrol as part of the Aberaeron Town Council Flood Defence Group - distributing sandbags etc. It is generally acknowledged within Aberaeron that I have a clear understanding of how the harbour works. I have regular meetings with the fisherman, boat owners and businesses regarding the many and varied issues which affect the harbour on an ongoing basis. It is important that I am able to reflect the views of the people I represent - whether discussing with my residents, officers of council or a committee of council, including the Development Control Committee.

It is well known that my mother lives overlooking Pwll Cam. It was my Grandmother's house before her death in 1981. My family have lived in Aberaeron since it became a harbour in 1807, having moved from Henfynyw, to run a pub just before the north toll gate - until it was burnt down by Rebecca, and then became the farm house of my family's dairy farm, next to where Penmorfa is sited today. There is no doubt that I have a historical buy-in to Aberaeron which goes beyond the ownership of one property. I have a responsibility to everyone in Aberaeron as an elected member, and this proposed scheme impacts on the whole of Aberaeron town centre, its economy as a local service centre; its tourist economy - present and future; its tourist growth; jobs; businesses; residents; boat owners and fishermen. Granting me dispensation to speak will not in my view reflect negatively on the council or bring me in to disrepute. It is my sincere hope that the committee will reflect positively on my application.

Diolch.
