3. INFORMATION IN SUPPORT OF YOUR APPLICATION

Please provide additional (background/ factual) information in order to clarify/explain your interest further, and assist the committee considering this dispensation application.

(Please note that failure to complete this section will result in the application form being returned to you)

About 7/ 8years ago the County Council decided to withdraw their revenue support for the then Llandysul Swimming Pool, a facility that was built by the people of Llandysul some 46 years ago, and which is a pool voluntarily run by a Board of Trustees.

A few years later the same Authority resolved to close the Llandysul Lesiure Centre and sought interest from the Community to take over the responsibility for the continuance of its operation.

As the Pool is linked to the Lesiure centre the Board resolved to make known their interest in taking over the facility and created the body now known as Calon Tysul. The County Authority accepted their business case and proceeded to transfer the building under the community asset transfer scheme bringing with it a modest revenue sum for the initial 2 years that followed.

As might be appreciated and known by some on the panel, Pools and leisure facilities, particularly those managed by Local Authorities always require revenue support to sustain their very important community service.

To their credit Calon Tysul has managed thus far to sustain this valuable community resource, but are reliant on attracting programme funding and some modest revenue support from the community council and rely also for external financial support in the main, to undertake projects that are capital works in their nature. As a matter of background information we spend over £1k a week on energy costs alone. The current energy crisis means that the figure is now up to circa £1.6 a week. I am seeking dispensation therefore to enable me as their local elected representative to plead their case at county and community authority level.

4. GROUNDS FOR DISPENSATION

The **Standards Committee (Grant of Dispensations)(Wales) Regulations 2001** prescribe the circumstances in which the Ethics & Standards Committee may grant a dispensation. The grounds for granting a dispensation are set out below.

On which of the following grounds do you believe that a dispensation should be granted in this case? Please tick the appropriate box(es).

(a) no fewer than half of the members of the relevant authority or of a committee of the authority (as the case may be) by which the business is to be considered has an interest which relates to that business;	<input type="checkbox"/>
(b) no fewer than half of the members of a leader and cabinet executive of the relevant authority by which the business is to be considered has an interest which relates to that business and either paragraph (d) or (e) also applies	<input type="checkbox"/>
(c) in the case of a county or county borough council, the inability of the member to participate would upset the political balance of the relevant authority or of the committee of the authority by which the business is to be considered to such an extent that the outcome would be likely to be affected;	<input type="checkbox"/>

(d) the nature of the member's interest is such that the member's participation in the business to which the interest relates would not damage public confidence in the conduct of the relevant authority's business;	<input checked="" type="checkbox"/>
(e) the interest is common to the member and a significant proportion of the general public;	<input checked="" type="checkbox"/>
(f) the participation of the member in the business to which the interest relates is justified by the member's particular role or expertise;	<input checked="" type="checkbox"/>
(g) the business to which the interest relates is to be considered by an overview and scrutiny committee of the relevant authority and the member's interest is not a pecuniary interest;	<input type="checkbox"/>
(h) the business which is to be considered relates to the finances or property of a voluntary organisation of whose management committee or board the member is a member otherwise than as a representative of the relevant authority and the member has no other interest in that business provided that any dispensation shall not extend to participation in any vote with respect to that business; or	<input type="checkbox"/>
(i) it appears to the committee to be in the interests of the inhabitants of the area of the relevant authority that the disability should be removed provided that written notification of the grant of the dispensation is given to the National Assembly for Wales within seven days in such manner as it may specify	<input checked="" type="checkbox"/>

5. GROUNDS FOR DISPENSATION- FURTHER INFORMATION

Please set out below the reasons why you consider that the Ethics & Standards Committee should grant a dispensation in this case (i.e. Please explain how and why you consider that one of the grounds for dispensation is/are satisfied)

(Please note that failure to complete this section will result in the application form being returned to you)

I represent a small market town ward, where everyone knows everyone and as an elected member the public are very much aware of the work that you undertake in the community. Having an insight into these groups by being on their management committees expedites business. On many occasions I could have been in a position to aid Council Committees deliberations because of the knowledge and background information one possesses about the applicants. The tendency is to go back to the applicant and seek the information and in the process lose an extended period of time until the next cycle of meetings. Enabling my participation would expedite the dispensing of the decision making process and make for better and efficient Local Government. My ability to speak and vote would not damage the public's confidence in the Authorities business as all the work I undertake in the community is on a voluntary basis. My standing and repute in the town is such that the public are aware that my stance, and any support given will be for the betterment of our community. Llandysul is a very active community and I serve on some 10 local organisations. I have been involved in all tiers of Local Government for over 37 years and have served on numerous Regional and National bodies during my political career.
