

CEREDIGION COUNTY COUNCIL

Report to:	Cabinet
Date of meeting:	6 th December 2022
Title:	Strategic Equality Plan Monitoring Report 2021-22
Purpose of the report:	To ensure that the Authority is meeting its requirements in relation to the Equality Act 2010 and the Public Sector Equality Duty 2011.
For:	Decision. To seek final approval from Cabinet before publishing the report on our website by the end of March, in order to meet the requirements of the Equality Act 2010.
Cabinet Portfolio and Cabinet Member:	Cllr Catrin M S. Davies, Cabinet Member for Culture, Leisure and Customer Services (Equalities Champion)

The Equality Act 2010 places a duty on Local Authorities to consider the needs of all individuals when carrying out our day-to-day work. The Act includes Specific Public Sector Equality Duties for Wales which require the Council to set Equality Objectives within a Strategic Equality Plan, which must be reviewed every four years.

The promotion and use of the Welsh Language are set out in the Welsh Language Measure 2011, rather than the Equality Act. However, we consider Welsh language requirements alongside the protected characteristics of the Equality Act to encourage a co-operative approach.

An action plan ensures the delivery of the Council's Strategic Equality Plan 2020-24, grouped under five Equality Objectives, which are:

1. An Exemplar Equal Opportunities Employer

To be an equal opportunities employer, with staff trained and aware of equality related needs and issues. To continue to close the gender pay gap.

2. Fostering Good Relations and Tackling Prejudice

To foster good relations between those who share a protected characteristic and those who do not by building community cohesion and tackling prejudice. Everyone should be able to live without the fear of violence and abuse and to be treated with respect.

3. Engagement and Participation

To ensure that we engage effectively with people who share protected characteristics. To enable people to influence decisions and to have the opportunity to participate in political and everyday life.

4. Dignity, Respect and Access to Services

To ensure fair and equal access to all services. We will do this by ensuring that people with protected characteristics are treated with dignity and also meeting their needs where they are different from the needs of other people.

5. Fair and Inclusive Education

We want to ensure that children and young people reach their full potential. The right to education and training should also ensure accessibility and an environment free from bullying or harassment. This also includes lifelong learning.

The plan and related documents can be found at [Strategic Equality Plan & Objectives - Ceredigion County Council](#)

Highlights of 2021/22

- A revised pregnancy risk assessment has been introduced. This now better reflects the current Public Health Wales guidance on pregnant people in the workplace.
- The regional Community Cohesion team continue to work with partners to encourage people to raise awareness of, and report hate crime. Events and awareness raising campaigns to tackle hate crime included Hate Crime Awareness Week, a 'Blue Light' event for refugees, Online Hate Pilot Sessions and Small Steps Right Wing Training.

- The Accessible Housing Register and Accessible Housing Policy have been in place since June 2016. As a result, the number of people using the accessible housing register and subsequently receiving offers continues to increase.
- Performance of Ceredigion pupils with Special Education Needs/Additional Educational Needs is good. There is an increase in the number of pupils who are diagnosed with severe autism in the early years, and in the pupils with complex needs.
- The Covid-19 pandemic has had a big impact on the progress of learners with English as an Additional Language (EAL), although we have exceeded targets: 9.5% of pupils moved up a level (target = 5%). 3.4% made 2 or more levels of progress (target = 1%). 77.7% of EAL pupils are on codes C-E. Of these, 56.9% are competent (D) or fluent (E).

Background

The General Equality Duty

The Equality Act 2010 places a public sector duty on Local Authorities to consider the needs of all individuals when carrying out their day to day work, in developing policy, in delivering services and in relation to the public and their own employees. The Act requires public bodies to have due regard to the need to:

1. Eliminate unlawful discrimination, harassment and victimisation and other conduct that is prohibited by the Act.
2. Advance equality of opportunity between people who share a protected characteristic and those who do not.
3. Foster good relations between people who share a protected characteristic and those who do not.

The Equality Act makes it unlawful to discriminate against people with a 'protected characteristic'. The protected characteristics are:

- Age
- Disability
- Gender Reassignment
- Marriage and civil partnership
- Pregnancy and maternity
- Race
- Religion or belief (including lack of belief)
- Sex
- Sexual orientation

When thinking of how to advance equality of opportunity between persons who share a relevant protected characteristic and those who do not, the Council must think about the need to:

- Remove or minimise disadvantages experienced by people due to their protected characteristics.
- Take steps to meet the needs of people from protected groups where these are different from the needs of other people.
- Encouraging people with protected characteristics to participate in public life or in other activities where their participation is disproportionately low. The Council also has to particularly think about how it will tackle prejudice and promote mutual understanding and respect.

Welsh Language Commitment

The promotion and use of the Welsh Language is not included within the Equality Act, it is covered by the requirements set out in the Welsh Language Measure 2011. However, in Ceredigion it is important to consider Welsh language requirements alongside the protected characteristics of the Equality Act to encourage a co-operative approach to the needs of all communities in designing and delivering services.

Under the requirements of the Welsh Language Measure 2011, Ceredigion County Council is required to ensure that Welsh language services are built into planning and delivery of services, and that Welsh language services are offered to Welsh speakers without them having to request it (i.e. the concept of the active offer).

The Specific Public Sector Equality Duties Wales

The Specific Duties in Wales are set out in the Equality Act 2010 (Statutory Duties) (Wales) Regulations 2011 and came into force on the 6 April 2011. The Specific Duties on Local Authorities in Wales cover:

- Equality Objectives
- Strategic Equality Plans
- Engagement
- Assessing impact
- Equality information
- Pay differences
- Staff training
- Procurement
- Annual reporting
- Publishing
- Review (every four years)
- Accessibility

How we meet the Equality Duties:

This Equality Monitoring Report outlines our commitment to meeting the Equality Act 2010 including the Specific Public Sector Equality Duties for Wales. It describes the progress of our Strategic Equality Plan between 1st April 2021 and 31st March 2022.

Corporate Governance

Equalities is a cross-cutting theme in our Corporate Strategy 2017-2022.

The Leader of the Council is the council's nominated Equalities and Welsh Language Champion. A Corporate Equalities Working Group has been established to enable the development and implementation of the Strategic Equality Plan 2020-2024; the group is chaired by our Equalities Champion.

The Equalities Champion and the Equalities Working Group are both supported by the Council's Equalities and Engagement officer.

Ceredigion Strategic Equality Plan & Objectives

The Strategic Equality Plan Monitoring Report 2021-22 is the second report on progress of our 2020-24 Strategic Equality Plan, '*A Fair and Equal Ceredigion*.' The plan and related documents can be found at [Strategic Equality Plan & Objectives - Ceredigion County Council](#)

'*A Fair and Equal Ceredigion 2020-24*,' lists five Equality Objectives. An action plan ensures the delivery of the objectives.

The five Equality Objectives are –

1. An Exemplar Equal Opportunities Employer

To be an equal opportunities employer, with staff trained and aware of equality related needs and issues. To continue to close the gender pay gap.

2. Fostering Good Relations and Tackling Prejudice

To foster good relations between those who share a protected characteristic and those who do not by building community cohesion and tackling prejudice. Everyone should be able to live without the fear of violence and abuse and to be treated with respect.

3. Engagement and Participation

To ensure that we engage effectively with people who share protected characteristics. To enable people to influence decisions and to have the opportunity to participate in political and everyday life.

4. Dignity, Respect and Access to Services

To ensure fair and equal access to all services. We will do this by ensuring that people with protected characteristics are treated with dignity and also meeting their needs where they are different from the needs of other people.

5. Fair and Inclusive Education

We want to ensure that children and young people reach their full potential. The right to education and training should also ensure accessibility and an environment free from bullying or harassment. This also includes lifelong learning.

Identifying, collecting and analysing relevant equality information

Service Users Equality Data

Up to date information on our citizens, particularly those who share one or more of the protected characteristics, is vital to support our progress and compliance with the Equality duty. Staff are encouraged to use the '*Ceredigion Equality Data*' document which details information about the equality demographics of Ceredigion citizens. The document is held on our internal CeriNet site and should be used to support the development of integrated impact assessments.

An equalities and diversity monitoring form template has been developed by the Corporate Equalities Working Group, and all service areas are required to use these templates to gather equality data when carrying out engagement and consultations.

Workforce Equality Data

We collect and analyse data relating to staff who share one or more of the Protected Characteristics through our internal HR CeriNet system; however it is not mandatory for employees to provide this data.

The Workforce Equality Annual Report and the Gender Pay Annual report are published by our People and Organisation Section separately to this report. The reports are published on our website: [Strategic Equality Plan & Objectives - Ceredigion County Council](#)

Consultation and Engagement

Under the Specific Public Sector Equality Duties in Wales, Ceredigion County Council is required to engage and consult with people with Protected Characteristics when making strategic decisions. The Council has engagement and consultation guidance in place on its intranet site. We are reviewing our guidance on engagement and working on a new Engagement Policy, 'Talking, Listening and Working Together.' The process of consultation and adoption of this new policy is scheduled for 2022/23.

As in the previous year our levels of engagement have been impacted by the Covid-19 pandemic. However, several engagement exercises were successfully undertaken, including a large regional survey to support Ceredigion Public Service Board's Assessment of Local Well-being.

In addition to public consultation, there exists in Ceredigion a comprehensive network of forums and partnerships which staff contribute to and consult with service users, for example the Youth Council, the Carers' Forum and Ceredigion Disability Forum.

Assessing for Impact

Ceredigion County Council is a listed public body in Wales under the Equality Act and is therefore required by law to undertake Equality Impact Assessments. This involves assessing the impacts of new policies and practices, as well as changes to existing policies and practices, on those who share one or more of the Protected Characteristics.

We have developed an Integrated Impact Assessment Tool. In addition to assessing the impacts on Equality, the tool also assesses impacts on the principles and goals of the Well-being of Future Generations (Wales) Act 2015, the Welsh Language Measure 2011 (Welsh Language Standards Requirements) and Risk Management.

The tool has been revised to consider the United Nations Convention on the Rights of the Child within our decision making. A total of 27 Integrated Impact Assessment were submitted with Cabinet Reports during 2021-22.

Staff Training

The Learning and Development Team launched a new Learning Management System, Ceredigion Learning Pool. This bilingual resource allows completion of e-learning modules. Through online training delivery using Microsoft Teams the ability to utilise 'captions and translation' has made training more accessible for those with hearing or sight impairments.

- 388 staff completed the Equality and Diversity e-learning programme, this is down from 514 staff who completed it last year.
- 80 managers completed the online Equality and Diversity Training
- Equality and Diversity training was suspended due to Covid-19 and later reinstated, 3 sessions were delivered, one through the medium of Welsh.
- 26 staff members completed online LGBTQ+ training.
- 57 staff members completed the Unconscious Bias e-learning module.
- 12 staff attended a Deaf Awareness & Sign Language Workshop
- 1 member of staff was supported to undertake British Sign Language training
- 3 Bespoke sessions were delivered to 15 Social Workers to increase their Welsh language abilities & confidence in undertaking Best Interests Assessment for Service Users through the medium of Welsh
- 94 staff were supported to undertake a variety of Welsh languages courses through the Council's Work Welsh Scheme
- BAWSO sessions on Domestic Abuse, Cultural Diversity, Forced Marriage and FGM were also promoted and made available to staff

Procurement Arrangements

All significant contracts are tendered using the e-tender-wales e-Tendering system and 100% of these have Equality questions and Welsh Language requirements built into them as part of a standardised process. Those who submit a tender and are unable to respond positively to the requirements may not proceed to the next stage.

The Welsh Government's Code of Practice for Ethical Employment in Supply Chains is also included in those tenders as standard. A standardised contract specification template has been developed which puts Equality and Welsh Language requirements on those who provide goods or services on behalf of the Council.

Accessibility

The Council produces information in a wide variety of formats according to need and on request. All public documents are required to have the tagline 'this document is available in Welsh, or in other formats on request'. We have placed guidance on accessible formats for staff on our internal internet.

The Council's public website is fully compliant to AA accessibility ratings and 90% of the content is compliant with AAA accessibility ratings. We will continue to respond to any new standards or changes to technology as they come.

We have a contract with Wales Interpretation and Translation Service (WITS), to provide an interpretation service in circumstances where the service user has limited or no Welsh or English language skills. Guidelines and 'how to book instructions' has been published, and available for all staff to access from the internal CeriNet site.

Progress in meeting our specific objectives during 2021-22

The Strategic Equality Plan itself is a 4-year strategy but we publish an annual progress monitoring report. The full Strategic Equality Plan Monitoring Report 2021-22 is shown at Appendix 1.

A 'BRAG' system shows us how well an action is performing or being delivered.

'BRAG' status totals for the 2021/22 are shown below.

BRAG Status	Definition	2021-22 Progress
Blue	Action completed	3
Red	Action not started / there are concerns that it will not be completed	0
Amber	Action slightly behind target	17
Green	Action progressing to plan	34

This is the second report on progress of our Strategic Equality Plan.

- 3 actions (6%) are completed. (1 action in 2020-21).
- None of the actions are marked 'Red.' (0 actions in 2020-21).
- 17 actions (31%) are slightly behind target. The majority of these come under the Engagement and Participation objective and this is partly attributable to the impacts of the Covid-19 pandemic. (14 actions in 2020-21).
- 34 actions (63%) are in progress and on track. (39 actions in 2020-21).

The table below shows progress of each Equality Objective.

Highlights from 2021/22

Objective 1 – An exemplar equal opportunities employer

A revised pregnancy risk assessment has been introduced. This now better reflects the current Public Health Wales guidance on pregnant people in the workplace. Pregnant employees can seek advice and support from the Employee Health and Wellbeing Officer, the Health and Safety Team and the HR absence team.

Temporary adjustments to flexi working hours have been adopted. This has been agreed to help alleviate the pressures of home working on those with families.

The Carers' Policy has been implemented which includes a Carers Passport. The Carers Passport allows employees who are unpaid Carers to use up to 5 days paid leave for undertaking their caring responsibilities.

Objective 2 – Fostering good relations and tackling prejudice

The Community Cohesion team continue to work with partners to encourage people to raise awareness of, and report hate crime. Events and awareness raising campaigns to tackle hate crime have continued. These have included:

- Hate Crime Awareness Week
- A 'Blue Light' event for refugees
- Online Hate Pilot Sessions
- Small Steps Right Wing Training

Multi-agency tension monitoring meetings are held weekly. These have enabled the Community Cohesion team to successfully monitor and mitigate a range of community tensions.

Objective 3 – Engagement and participation

Elected as our new Member for the United Kingdom Youth Parliament (UKYP); Poppy Evans (MYP) representing Aberaeron Secondary School, was prominent in her role advocating on behalf of young people living in Ceredigion.

Lloyd Warburton, a pupil at Penglais School, was elected as the new Member of Wales Youth Parliament for Ceredigion and was also an active member of the Ceredigion Youth Council.

Ceredigion County Council Youth Council continued with its scheduled virtual programme and ensured that 22 young people representing Ceredigion Secondary Schools, Ceredigion Young Farmers Clubs and Porth Cymorth Cynnar (Support and Prevention service) had a meaningful platform to participate.

Democratic Services delivered a presentation to the Ceredigion County Youth Council regarding 'Voting at 16' and how to register to vote for the forthcoming local elections in 2022. Youth Council members tasked with sharing the information with their peers (presentation shared).

Meetings with the Disability Forum continued to take place online. During 2021-22 the forum discussed the Assessment of Local Well-being, the Future of Town Centres, Pavement Parking, the Cost of Living Crisis, the Local Well-being Plan and Experimental Traffic Regulation Orders.

Objective 4 – Dignity, respect and access to services

Covid continues to have a significant impact on the level of uptake of the Ymuno scheme. Pre-covid there were 18 children registered but just one child was supported by Ymuno to attend an Out of School childcare setting in 2020/21.

The 1st cohort of of Camu 'Mlaen (post-16 students with additional learning needs) have successfully completed their second year. There is effective collaborative working to ensure seamless provision post-16 into adulthood.

The number of people using the Accessible Housing Register and subsequently receiving offers continues to increase. The most recent report highlights the fact that 15% of applications to the Housing Register require some form of accessible property.

Disabled access (or lack of) is a criterion on our scoring/assessment of works when setting up the prioritised list of maintenance and/or improvement of footways and carriageways. With decreasing budgets, the number of footway refurbishment schemes, highway improvement and maintenance schemes will have to be reduced and consequently the opportunity to improve accessibility will also diminish.

100% of our corporate website has now achieved an accessibility rating of AA. Over 90% of the website has an accessibility rating of AAA.

Objective 5 – Fair and inclusive education

All schools have now completed their individual Strategic Equality Plans.

The Anti-bullying policy has been approved by Cabinet. Each School has a copy of the policy, which is reviewed annually every autumn term

Performance of Ceredigion pupils with Special Education Needs/Additional Educational Needs is good. There is an increase in the number of pupils who are diagnosed with severe autism in the early years, and in pupils with complex needs. Early recognition ensures that pupils receive early intervention and support to meet their additional learning needs.

The Covid-19 pandemic has had a big impact on the progress of learners with English as an Additional Language (EAL), although we have exceeded targets: 9.5% of pupils moved up a level (target = 5%). 3.4% made 2 or more levels of progress (target = 1%). 77.7% of EAL pupils are on codes C-E. Of these, 56.9% are competent (D) or fluent (E).

School pupils & volunteers are provided with training to learn how to adapt / involve others in sport & physical activity. 108 Bronze Young Ambassadors are now trained in Disability Inclusion and they will lead inclusive physical activity sessions. There are a further 12 to follow. Additionally, there are 13 'Play For All' Ambassadors who are based in the ALN Units in the secondary schools trained in leadership skills.

Additionally, there are organised weekly Wellbeing Walks going from Borth, Aberystwyth, Lampeter, Aberporth and Cardigan. A focused intervention pilot has been running in Lampeter for individuals with chronic conditions on a one to one basis. The pilot focuses on individuals who are not ready or unable to attend group classes safely.

Action 4.6	Cylch Caron Project – we will establish community based care to meet health and housing needs that are fit for purpose.	Lead Officer: Nerys Lewis, Porth Gofal	Amber
-------------------	---	---	--------------

Outcome: Identify the number of additional services required as part of the Cylch Caron Project.

Progress 2021-22:
 The Cylch Caron project is currently preparing documentation to procure a development partner. Alongside this is the reviewing and completion of the Full Business Case.

Action 4.7	We will take forward the development of an Accessible Housing Register and work on ensuring Housing Options advice and services are accessible.	Lead Officer: Llyr Hughes, Porth Gofal	Green
Outcome: Increased satisfaction levels of people applying for accessible housing.			
<p>Progress 2021/22:</p> <p>The Accessible Housing Register and Accessible Housing Policy have been in place since June 2016. As a result, the number of people using the accessible housing register and subsequently receiving offers continues to increase. During 2021/2022 there have been a number of allocations made to individuals and families requiring accessible housing, including 56 apartments at the Maes y Mor Extra Care Scheme. Most recent reporting highlighted that 15% of applications to the Housing Register require some form of accessible property. Categories captured are: Full Wheelchair/Part Wheelchair/Ground Floor Need/Lifetime Homes/ Max 3 Steps/Step Free.</p> <p>Access to the Housing Options Service is available bilingually and whilst it is encouraged application forms are completed online, facilities are available to enable Applications to be taken over the phone. The Housing Options website also offers the facility of languages other than Welsh and English, together with additional accessibility options such as Text Only/ Graphical Mode/ Read Aloud and the option to increase the size of the text.</p>			
Action 4.8	We will consider the provision of access to public transport service for disabled people, older people and families with young children as part of any maintenance or improvement works undertaken.	Lead Officer: Gerwyn Jones, Highways and Environmental Services	Green
<p>Outcomes:</p> <p>Work on improvement to bus shelters and stops along the T2/T5 route. Continue to support and facilitate the Welsh Government initiative affording free travel to all on weekends on the TrawsCymru network. Both interventions improve accessibility by means of infrastructure and service enhancements</p>			
<p>Progress 2021-22:</p> <p>The Covid-19 global pandemic has had a significant impact on most aspects of life. This has been especially true of requirements and demand for travel, which includes the impacts arising from travel restrictions and new, or different ways of working and living in general. These impacts have related and extended from international travel to travel at a local level.</p>			

The County Council has worked closely with local bus operators throughout the COVID-19 pandemic to support the industry and maintain a core level of services while adhering to Welsh Government guidelines. This has included the development of COVID-19 risk assessments and implementation of related control mitigation measures. The integrated nature of bus networks in Ceredigion means this approach has been applied to learner transport as well as services and travel opportunities available to the wider general public. There has been a need to be dynamic and flexible in response to the very volatile and quickly changing situation with COVID-19. In such a challenging operating climate the benefits of a partnership approach and of working in collaboration has come to the fore and is very much recognised, acknowledged and appreciated.

Work has continued on improvements to bus shelters and stops along the T2/T5 route this includes in respect of information provision at key interchanges including Aberystwyth Gateway, Alban Square Aberaeron and Finch Square, Cardigan.

The County Council continues to work with Welsh Government, Transport for Wales and the bus operators to administer and manage the evolving Bus Emergency Scheme funding. This has been put in place to support operators and services during the pandemic but also as we move towards a new model for how bus services are provided and managed in Wales.

The Welsh Government and Transport for Wales have embarked on a review and redesign of bus networks in Wales.

Action 4.9	We will consider the needs of disabled people when maintaining or improving footways and carriageways (for example dropped kerbs).	Lead Officer: Phil Jones, Highways and Environmental Services	Amber
-------------------	--	--	--------------

Outcome: Increased number of improvements to footways which address accessibility issues.

Progress 2021/22:

This is an ongoing annual activity. Disabled access (or lack of) is a criterion on our scoring/assessment of works when setting up the prioritised list of maintenance and/or improvement schemes.

With decreasing budgets, the number of footway refurbishment scheme, highway improvement and maintenance schemes will have to be reduced and consequently the opportunity to improve accessibility will also diminish.

Action 4.10	We will continue to implement the Clutter Free Ceredigion Campaign to raise awareness and reduce the number of footway obstructions in our towns such as A-Frame advertising boards and wheelie bins.	Lead Officer: Gerwyn Jones, Highways and Environmental services	Green
--------------------	---	--	--------------

Outcome: The Clutter Free Ceredigion Publications are shared / published on the Council's social media platforms on a regular basis which provides for ongoing awareness raising.			
Progress 2021-22: Illegal 'private' clutter (not street furniture) would be deemed as an offence of obstruction unless it is licensed/approved.			
Action 4.11	We will undertake accessible audits to ensure all members of the public can access council offices.	Lead Officer: Lyndon Griffiths, Economy and Regeneration	Green
Outcome: Increased number of accessible reviews undertaken and recommended improvements addressed.			
Progress 2021-22: We continue to undertake accessibility audits for council premises and major developments. This includes the implementation of the Toilet Strategy in terms of accessibility and continued work to increase the number of changing places toilets in the County.			
Action 4.12	We have achieved an accessibility rating of AA for our website and will work towards achieving a rating of AAA, including the provision of a readability toolbar.	Lead Officer: Arwyn Morris, Customer Contact	Blue
Outcome: Increased levels of customer satisfaction.			
Progress 2021-22: This action will always be on-going to meet any new standards – we have achieved all the necessary base standards for accessibility. This action is blue – achieved but will continue to evolve as technology changes. Over 90% of the website has achieved the AAA standard.			
Action 4.13	We will continue ongoing management of the coastal path to ensure that the path meets visitor expectations, including continued application of ' <i>Least Restrictive Access</i> ' principles where possible. We will consider the needs of people with disabilities when maintaining or improving public rights of way.	Lead Officer: Eifion Jones, Economy and Regeneration	Green
Outcome: Least restrictive access principles included within the Rights of Way Improvement Plan.			
Progress 2021-22:			

<p>Capital funding obtained from Council to replace footbridges which help comply with 1.2m width included within the “by all reasonable means” guidance on least restrictive access.</p> <p>Identification of barriers to access is now included in all promoted routes leaflets, i.e. stiles gates, surfacing and route gradients etc.</p>			
Action 4.14	Increasing the contribution of Play to positive health and wellbeing	Lead Officer: Alwyn Davies, Porth Cymorth Cynnar	Green
<p>Outcome: Increasing the number of Play opportunities to Children & Young People.</p>			
<p>Progress 2021-22:</p> <p>The Summer of Fun programme has come to an end with 45 projects running across towns and rural communities in Ceredigion. The funding allowed children and young people aged 0 – 25 with the opportunity to access free activities aimed at supporting their development and wellbeing. In Ceredigion there were various activities offered including a range of play, sporting, cultural and other activities for children and young people in a variety of settings. Activities were offered in Welsh, English and bilingually. Opportunities were offered from CCC internal services and externally through the third sector.</p>			
Action 4.15	We will ensure that our procurement policy and contract specification includes equality and Welsh language as standard information.	Lead Officers: George Ryley Finance and Procurement / Carys Morgan, Democratic Services	Blue
<p>Outcome: Percentage of contract specifications issued with Equality and Welsh Language requirements.</p>			
<p>Progress 2021-22:</p> <p>All significant contracts are tendered using the e-tender-wales e-Tendering system and 100% of those have Equality questions and Welsh Language requirements built into them as part of a standardised process. Those who submit a tender and are unable to respond positively to the requirements may not proceed to the next stage. The Welsh Government’s Code of Practice for Ethical Employment in Supply Chains is also included in those tenders as standard. A standardised contract specification template has been developed which puts Equality and Welsh Language requirements on those who provide goods or services on behalf of the Council.</p>			

Action 4.16	We will continue to support community sports clubs to achieve the Insport Disability Award.	Lead Officer: Steve Jones, Porth Cymorth Cynnar	Green
<p>Outcome: Increased number of volunteer/community projects to train and educate people to become more confident and develop more inclusive opportunities in our communities.</p>			
<p>Progress 2021-22:</p> <p>There were 5 disability specific projects included on the Summer of Fun. Many more were inclusive. 5 Gold Cards have been issued for young people with disabilities to have free training facilities at the Wellbeing Centres. Gold Cards are issued to Ceredigion residents who have received international honours or above in a particular sport.</p>			
Action 4.17	We will develop a vision for Ceredigion Actif in achieving a gold standard Insport award.	Lead Officers: Alwyn Davies, Porth Cymorth Cynnar	Amber
<p>Outcomes:</p> <p>Continue the journey and learning process for staff, partners & services from Ribbon to Gold status. To become an inclusive and visionary service for all standards.</p>			
<p>Progress 2021-22:</p> <p>Discussions are underway with Disability Sport Wales to progress the accreditation process onto the Gold Award.</p>			

Objective 5: Fair and Inclusive Education.

We want to ensure that children and young people reach their full potential. The right to education and training should also ensure accessibility and an environment free from bullying or harassment. This also include lifelong learning.

Action 5.1	We will support Schools to ensure that they review and update their Strategic Equality Plans (SEPs).	Lead Officer: Nia James, Schools and Culture	Green
<p>Outcomes:</p> <p>All Schools report and confirm completion of individual strategic equality plans during the Summer term at their governing body meetings. All schools have a Strategic Equality Plan in place.</p>			
<p>Progress 2021/22:</p> <p>All schools completed their individual Strategic Equality Plans during the summer term.</p>			
Action 5.2	We will support schools to tackle identity-based bullying and to implement the proposed Welsh Government Anti-Bullying Guidance and Toolkit once it is launched in the spring of 2020.	Lead Officers: Laurie Hughes / Kizzie Garner-Hughes, Schools and Culture	Green
<p>Outcomes:</p> <p>All schools to have reviewed their anti-bullying policy. Draft policy created for schools from the new anti-bullying guidance. Draft copy sent for consultation/approval of senior education staff ahead of being circulated to schools.</p>			
<p>Progress 2021/22:</p> <p>The Anti-bullying policy has been approved by cabinet since the last strategic equality plan was shared and is therefore no longer in draft form. Each School has a copy of the policy, which is reviewed annually every autumn term</p> <p>We have been sharing relevant information and resources on Teams e.g. Cyber bullying, generic anti-bullying resources and promoting anti-bullying week, anti-racism resources as well as schools working with Show Racism the Red Card, schools services paying a Stonewall membership and therefor enabling schools to access training and support for LGBTQ+, using the Whole School Framework grant to organise KIVA anti-bullying training for schools, a new 'draft' policy for Relationships and Sexuality Education (RSE) where there is a huge emphasis on equality and diversity.</p> <p>Targets for 2022-23:</p> <ul style="list-style-type: none"> Relationship and Sex Education (RSE) policy to be adopted through Cabinet in December 2022. 			

- Share information with schools and support them in setting priorities/strategies when WG release the Trans guidance later this academic year.
- Finalise a central recording sheet for bullying for schools to use that Governors and specific county support staff have access to so that we can identify trends or schools that need support, and ensure that schools are recording bullying.

Action 5.3	We will improve provision and outcomes for children with additional learning needs, reduce the attainment gap between children without ALN and those with ALN.	Lead Officer: Gillian Evans, Schools and Culture	Green
-------------------	--	---	--------------

Outcomes:

All pupils with ALN made appropriate progress according to need.
Evidenced by data on the achievement of ALN children at all key stages.

Progress 2021-22:

- The performance of Ceredigion SEN/ ALN pupils is good. There is an increase in the number of pupils who are diagnosed with severe autism in the early years, and in the pupils with complex needs. Early recognition ensures that pupils receive early intervention and support to meet their additional learning needs. Since September 2021 we have been implementing the New ALN Code with transition over a 3 year period.
- Ceredigion has continued to invest in training to increase the workforce capacity to meet the needs of mainstream pupils. This includes person centred practice, to reflect the needs of the New ALN Code, autism training.
- Provision of Emotional Literacy Support Assistant (ELSA) is continuing to develop in our schools. Increased training now means that we have at least one ELSA in 36 out of our 39 settings (a rise from 70% to 92.3% of schools). Some schools now have multiple ELSAs on their staff. The Educational Psychology Service continues to provide clinical supervision to the 73 ELSAs (an increase from the previously reported 49) who have been trained in county. Despite the large numbers, schools still ask for further training so that they can continue to support vulnerable children and to train others in the event that an ELSA were to leave their employment. Further training is therefore being arranged for the winter 2022. The provision for vulnerable pupils in Ceredigion continues to be monitored.

Due to Covid 19, End of key stage data within the Foundation Phase and Key Stage 3 will not be collected during the summer term. Internal school data will be monitored to ensure pupils are making progress on entry. The table below shows the number of pupils on the SEN/ALN register and reflects the impact of ALN transformation, person centred planning and intervention within schools. Over the next 3 years pupils who

have ALN will transfer from School Action (SA), School Action Plus (SAP), School Action Plus Resourced Agreement (SAPRA) and Statement to have an Individual Development Plan (IDP), which will be either a school maintained IDP, or a Local Authority maintained IDP.

	SA		SAP/SAPRA		Statement		IDP - Sch		IDP - LA	
Years	0-6	7-11	0-6	7-11	0-6	7-11	0-6	7-11	0-6	7-11
Oct 2022	409	327	215	205	14	24	143	40	31	10
	736		420		38		183		41	
					0-6	7-11				
May 2022					10	49				
					59					
May 2021	849	739	473	289	7	71				
	1,588		762		78					

The dramatic fall in the number of statements in years 7-11 can be explained by a) the number of pupils with statements leaving school in year 11 and b) the number of pupils with statements transferring to year 12. (16 pupils)

The ***increase*** in the number of Statements in the early years/ primary sector (0-6) is explained by the number of pupils with Statements/Education, Health & Care Plan (EHCP) who moved into Ceredigion during the period May 21 – October 22. Only 1 pupil with a Ceredigion maintained statement moved from primary to secondary school during the period, however, 6 pupils moved into Ceredigion and 2 statements were issued by Ceredigion during the period May 21 – October 22.

There has been an increase in the number of pupils with ALN in the early years, this reflects the number of pupils starting in our schools with more intensive and complex needs, and also the impact of Covid on school's ability to ensure a graduated response and full ALN intervention and provision during the year.

ALN Transformation is being implemented gradually, and person-centred planning is having a positive impact. The number of IDP's created during the year will be carefully monitored ensuring that schools keep within the transformation timetable. The provision for pupils with ALN/SEN will continue to be carefully monitored.

Action 5.4	We will improve provision and outcomes for looked after children in order to reduce identified attainment gaps.	Lead Officer: Catrin Petche, Schools and Culture	Green
-------------------	---	---	--------------

Outcomes:

All LAC pupils made appropriate progress according to need.
Evidenced by data on the achievement of looked after children at all key stages.

Progress 2021-22:

Overall, the performance of Ceredigion looked after children is good. Internal monitoring evidence shows that pupils are making progress on their access.

There will be no reporting on End of Key stage data, due to Covid 19.

There are currently 85 Ceredigion children in care on the register, 32% of whom have ALN, and 10% of whom have a SAPRA, IDP or Statement.

In addition, there are 32 out of county LAC pupils placed in Ceredigion from other authorities; 42% of these have ALN which requires an additional level of support. Majority of these pupils are educated within our mainstream schools, however in some cases there is a need to provide an alternative curriculum packages to meet the needs of the pupil.

Attachment and relationship-based play training and trauma informed practice has developed further. There has also been additional focus on pupils' wellbeing. All schools have been provided a LA wellbeing questionnaire, and a wellbeing support package. This has increased the capacity of school staff to understand and meet the attachment needs of a wider number of pupils. The impact of this will be monitored over the next year. Further training has been earmarked for 2022/23.

Action 5.5	We will support minority ethnic learners to access the curriculum to ensure that they achieve their full potential and increase attainment.	Lead Officer: Carole Price, Schools and Culture	Green
<p>Outcomes:</p> <p>Provision of ongoing Peripatetic support and/or intervention for targeted schools and coordinated action between stakeholders within the LA. 5% of pupils moved up a level with regard to EAL progress, with 1% making 2 or more levels of progress. 64% of pupils are on code C-E, of these 61% are competent (D) or fluent (E).</p>			
<p>Progress 2021/22:</p> <p>9.5% of pupils moved up a level with regard to EAL progress, with 3.4% making 2 or more levels of progress. 77.7% of EAL pupils are on codes C-E, of these 56.9% are competent (D) or fluent (E).</p> <p>We have observed that the Covid-19 pandemic has had an impact on the progress of English as an Additional Language Learners. The data is still positive when considering the outcomes detailed above.</p>			
Action 5.6	We will develop targeted interventions for children in receipt of free school meals.	Lead Officers: Vanessa Bowen / Gwion Dafydd, Schools and Culture	Green
<p>Outcomes:</p> <p>Targeted training provided for interventions e.g. Numeracy, language, ALN, thinking skills. Training also supports effective use of Hafan and Free School Meal eligibility within Profile assessment. Conferences promote understanding and intervention on Bullying, Voice of the child, Health and Wellbeing.</p>			
<p>Progress 2021-22:</p> <p>Schools and settings have received training to target further need such as Language and Oracy. Schools and settings have received full training on the ALN changes.</p>			

Action 5.7	We will undertake upgrades to school buildings on a needs basis in conjunction with individual school accessibility plans.	Lead Officer: Nia James, Schools and Culture	Green
Outcome: We will undertake upgrades to school buildings on a needs basis in conjunction with individual school accessibility plans.			
Progress 2021/22: No updates completed during the reporting period as no issues highlighted within the school accessibility plans.			
Action 5.8	We will implement our Welsh in Education Strategic Plan.	Lead Officer: Mary Davies, Schools and Culture	Green
Outcomes: The Welsh in Education Strategic Plan is in place and continues until 2021 until the publication of WiESP 2022-2032. The Plan is implemented and outcomes monitored.			
Progress 2021-22: By September 2032, Ceredigion County Council's aspiration is that all pupils in the authority's schools will attend Welsh-medium immersion education until the age of seven. The Welsh in Education Strategic 2022-32 Plan outlines the key objectives to achieve this. Ceredigion Cabinet Members approved the content of the Welsh in Education Strategic 2022-32 Plan in February 2022.			
Action 5.9	NEET (not in employment, education or training) – we will increase the opportunities and provisions for vulnerable young people who are supported by an alternative curriculum. NEET - we will ensure that Community Benefits are applied as a core requirement to all relevant Council procurement contracts and that the % of Education, Employment and Training opportunities created increase on previous year.	Lead Officer: Gethin Jones and Mark Gleeson, Porth Cymorth Cynnar	Amber
Outcomes: Two new courses have been added to the alternative curriculum provision since September 2019. Good progress is being made, all appropriate CCC procurement contracts have community benefits as a core requirement. Progress will be measured when annual NEET data is available.			

Progress 2021-22:

We are currently at that time of year where we are concentrating on collecting data regarding year 11 leavers. Lifelong Learning and Skills are working collaboratively with Youth service and Careers Wales to target undecided leavers. HCT is offering Jobs Growth Wales+ (JGW+) which is a training and development programme for 16–18-year-olds that gives young people the skills, qualifications and experience they would need to get a job or further training. Our Alternative Curriculum programme has developed another workshop which is situated mid county in Cwrtnewydd which offers schools south of the county this provision. We are expecting higher figures this year due to the pandemic and one area of concern is young people's mental health which is a major barrier to employment and training.

Community Youth Work and Prevention team continue to offer bespoke programmes of support for young people at risk of disengagement.

Out of 520 open cases:

- 74% of cases were identified as 'vulnerable', 15% 'complex' and 10% 'universal'
- An average of 160 pupils received weekly support via school-based youth worker, with Skills' Mentors supporting an additional 150 pupils each week
- 170 pupils identified as at risk of disengagement/ exclusion engaged in weekly targeted projects such as Pathways, Phoenix Course, Tonic Surf etc.
- An average 75 children and young people accessed weekly universal and extra-curricular activities (after-school clubs, youth clubs and community-based programmes)
- 105 young people aged 16-18 and a further 76 aged 18-25 referred to community youth work team due to factors affecting their route into education, employment and training (EET) such as substance misuse, mental health and youth homelessness.
- 90 organised workshops have been delivered with 66 young people successfully entering EET with 48 young people reporting an increase in self-efficacy and confidence.

The council continues to implement its policy on community benefits and guidance to tenderers for the larger council contracts. Community benefits guidance has been provided for the Aberaeron Coastal Defence Scheme, Cardigan Secondary School improvements, Aeron Valley new school and Cardigan Primary School.

Progress 2021-22:			
<p>With the pandemic and the lockdown restrictions impacting classes these targets have not been reached. During the lockdown restrictions we did provide online classes to people, including a class of over 65's. This class has now restarted face to face, we have some older learners returning (online and face to face) but not in their numbers pre-pandemic. We still provide laptops for use at home, this have proved advantageous to many learners across a variety of subjects. We also provide 5 free lessons to those new to using digital skills classes.</p>

Recommendation

Following discussion, Members agreed to receive the Council's Strategic Equality Monitoring Report 2021-22 and recommend that Cabinet endorse the report on the 6th December 2022.

Councillor Keith Evans
Overview and Scrutiny Co-ordinating Committee
