#### PREAMBLE

Employees are often the first to realise that there may be something seriously wrong with the way that certain activities are carried out within the Council. However, they may not be able to express their concerns because they feel that speaking up would be disloyal to their colleagues or to the Council. They may also fear harassment or victimisation as a result of their actions. In these circumstances, it may be easier to ignore the concern rather than report what may just be a suspicion of malpractice.

We are committed to conducting our business with honesty and integrity, and we expect all staff to maintain high standards. However, all organisations face the risk of things going wrong from time to time, or of unknowingly harbouring illegal or unethical conduct. A culture of openness and accountability is essential in order to prevent such situations occurring or to address them when they do occur.

The Council is committed to the highest possible standards of openness, probity and accountability. In line with that commitment we encourage employees and others with serious concerns about any aspect of the Council's work, to come forward and voice those concerns. It is recognised that certain cases will have to proceed on a confidential basis. This policy document makes it clear that staff can do so without fear of reprisals.

#### AIMS AND SCOPE OF THIS POLICY

This policy aims to:

- encourage you to report suspected wrongdoing as soon as possible, in the knowledge that your concerns will be taken seriously and investigated as appropriate, and that your confidentiality will be respected.
- provide guidance and avenues for you to raise concerns and receive feedback on any action taken
- allow you to take the matter further if you are dissatisfied with the Council's response
- reassure you that you should be able to raise genuine concerns without fear of reprisals or victimisation for whistleblowing, even if they turn out to be mistaken

There are existing procedures in place which enable you to lodge a grievance relating to your own employment or contract of employment. This whistleblowing policy is intended to cover concerns that fall outside the scope of other procedures.

This policy does not form part of any employee's contract of employment and it may be amended at any time.

2 Final November 2022,

#### WHO IS COVERED BY THIS POLICY?

This policy applies to all individuals working at all levels of the Council, including senior managers, officers, directors, employees, consultants, contractors, trainees, homeworkers, part-time and fixed-term workers, casual and agency staff as well as volunteers (collectively referred to as **staff** in this policy).

#### WHAT IS WHISTLEBLOWING?

**Whistleblowing** is the disclosure of information which relates to suspected wrongdoing or dangers at work. This may include:

- (a) criminal activity;
- (b) miscarriage of justice;
- (c) danger to health and safety;
- (d) damage to the environment;
- (e) failure to comply with any legal or professional obligation or regulatory requirements;
- (f) bribery;
- (g) financial/procurement fraud or mismanagement;
- (h) negligence;
- (i) breach of our internal policies and procedures;
- (j) conduct likely to damage our reputation;
- (k) unauthorised disclosure of confidential information;
- (I) improper conduct;
- (m) behaviour and actions falling below established standards or practice
- (n) actions against the Council's standing orders or policies;
- (o) slavery/human trafficking

(p) safeguarding concerns	_	Deleted: S
(g) the deliberate concealment of any of the above matters.		Deleted: p
3 Final <u>November 2022</u>		Deleted: May 2018

A **whistleblower** is a person who raises a genuine concern relating to any of the above. If you have any genuine concerns related to suspected wrongdoing or danger affecting any of our activities (a **whistleblowing concern**) you should report it under this policy.

This policy should not be used for complaints relating to your own personal circumstances, such as the way you have been treated at work. In those cases you should use the Grievance Procedure or the Policy on Bullying and Harassment at Work.

The Investigatory Powers Commissioner (IPCO) has stated that: where appropriate, this policy should be considered first when

raising a concern in relation to the Authority's use of investigatory powers, and
 any disclosures concerning any matters which fall within the IPCO's oversight

#### BRIBERY

Bribery prevention is covered by a separate policy and procedures.

All employees are required to report all matters where they suspect persons or companies of offering or receiving bribes. A local authority can be liable to prosecution if an employee, agent or subsidiary bribes another person, intending to obtain an advantage for the authority. Corruption undoubtedly results in substantial financial loss to the public purse and corrupt individuals are capable of pervading any level of an organisation whilst remaining undetected.

If you are uncertain whether something is within the scope of this policy you should seek advice from the Monitoring Officer (Corporate Lead Officer: Legal & Governance) whose contact details are contained on page 4 of this policy.

#### **Safeguarding**

<u>Safeguarding concerns may be reported initially as whistleblowing concerns. However,</u> these may in appropriate circumstances be referred to the Council's Safeguarding or Professional Concerns Strategy procedure.

Employees are advised to refer to the 'Policy and Guidelines for Safeguarding Children & Adults at Risk' for further information on reporting safeguarding concerns,

#### ANTI-SLAVERY

Anti-slavery prevention is covered by a separate policy and procedures.

#### SAFEGUARDS

Staff dealing with whistleblowing complaints must respect the confidentiality of the process. Documents received within the process do not necessarily need to be marked 'Confidential' and/or 'Whistleblowing', to be treated as such. Complaint documents must not be disclosed without prior authorisation by the Monitoring Officer.

#### The Public Interest Disclosure Act 1998

The above Act came into force on the 2<sup>nd</sup> July, 1999 and protects you from unfair dismissal or victimisation for blowing the whistle on wrongdoing at work. It was amended by the Enterprise and Regulatory Reform Act 2013.

#### Harassment or Victimisation

The Council recognises that the decision to report a concern can be a difficult one to make, not least because of the fear of reprisal from those responsible for the malpractice. The Council will not tolerate harassment or victimisation and will take action to protect you when you raise a concern.

#### CONFIDENTIALITY

We hope that staff will feel able to voice whistleblowing concerns openly under this policy. However, if you want to raise your concern confidentially, we will make every effort to keep your identity secret. If it is necessary for anyone investigating your concern to know your identity, we will discuss this with you.

It must be appreciated that the investigation process may reveal the source of the information and a statement by you may be required as part of the evidence. If your identity does need to be divulged then the Council will make provisions to support you throughout the process.

There may be circumstances where information divulged relating to safeguarding matters may be passed onto appropriate Officers (eg Director of Social Services) or regulatory authorities.

#### Anonymous Allegations

This policy encourages you to put your name to your allegation. Concerns expressed anonymously are much less powerful, but they will be considered by the Council's Monitoring Officer (Corporate Lead Officer: Legal & Governance).

Proper investigation may be more difficult or impossible if we cannot obtain further information from you. It is also more difficult to establish whether any allegations are credible.

Whistleblowers who are concerned about possible reprisals if their identity is revealed should contact the Monitoring Officer or one of the other contact points listed below and appropriate measures can then be taken to preserve confidentiality.

#### Monitoring Officer

In considering the allegation, the Monitoring Officer will take account of:

If a meeting is required, this will be arranged, as soon as possible to discuss your concern. A meeting may be face to face or remote.

You may bring a colleague or union representative to any meetings under this policy. Your companion must respect the confidentiality of your disclosure and any subsequent investigation.

We will take down a written summary of your concern and provide you with a copy after the meeting.

We will also aim to give you an indication of how we propose to deal with the matter.

#### **EXTERNAL DISCLOSURES**

The aim of this policy is to provide an internal mechanism for reporting, investigating and remedying any wrongdoing in the workplace. In most cases you should not find it necessary to alert anyone externally.

The law recognises that in some circumstances it may be appropriate for you to report your concerns to an external body such as a regulator. We strongly encourage you to seek advice before reporting a concern to anyone external.

If you are in any doubt ,you can seek advice from the independent whistleblowing charity, <u>Protect (formerly Public Concern at Work (PCaW)</u>, which operates a confidential helpline. <u>Protect has a list of prescribed regulators for reporting certain types</u> of concern.

### PROTECTION AND SUPPORT FOR WHISTLEBLOWERS

An employee has the right not to be subjected to a "detriment" and a right not to be dismissed for making a public interest disclosure.

It is understandable that whistleblowers are sometimes worried about possible repercussions. We aim to encourage openness and will support staff who raise genuine concerns under this policy, even if they turn out to be mistaken.

Staff must not suffer any detrimental treatment as a result of raising a concern. Detrimental treatment includes dismissal, disciplinary action, threats or other unfavourable treatment connected with raising a concern. If you believe that you have suffered any such treatment, you should inform the Monitoring Officer immediately. If the matter is not remedied you should raise it formally using our Grievance Procedure.

Staff must not threaten or retaliate against whistleblowers in any way. If you are involved in such conduct you may be subject to disciplinary action.

10 Final November 2022,

TITLE:	Feedback from the Overview and Scrutiny Co- ordinating Committee on the Amendments to the Whistleblowing Policy
PURPOSE OF REPORT:	To provide feedback from the Overview and Scrutiny Co-ordinating Committee held on 22 March 2023

## BACKGROUND:

In Councillor Matthew Vaux's absence, Harry Dimmack explained that a report on amendments to the Whistleblowing Policy was last presented to the committee on the 16th of May 2018, which was later approved by Cabinet on the 19th of June 2018. An overview of the key amendments as shown in tracked changes in Appendix 1 of the report was provided. The address for Audit Wales would be amended before the report was presented to Cabinet.

Members were provided with the opportunity to ask questions which were answered by Harry Dimmack. The main points raised were as follows:

- As there were only minor changes to the policy, presenting the policy to Scrutiny and Cabinet was sufficient.
- In the event a person wished to raise a concern externally, the relevant contact details were noted on page 8 of the policy.

Following questions by the Committee Members, it was agreed to recommend that Cabinet approves the amendments to the Whistleblowing Policy as shown in Appendix 1, subject to updating the contact details for Audit Wales.

Councillor Keith Evans Chairman of the Overview and Scrutiny Co-ordinating Committee
