Annex B.docx

In order to meet one of the requirements of the legislation, Local Authorities are expected to work with relevant partners to:

- *Support a County Youth Forum/Council as a representative body of young people to act as a channel for young people’s views across their local authority and represent those views to local and national decision-making bodies.*
- *They should aim to be as inclusive as possible in terms of geographical spread, age, gender and to represent specialist needs and more marginalised young people.*
- *For County Youth Forums/Councils to operate effectively, they will need to be adequately supported by Local Authorities who should consider what support is required to do this.*
- *They should be informed and linked to their local democratic structures.*
- *They will also need to be effectively linked into national participation structures such as Young Wales, the Children’s Commissioner for Wales and the National Assembly for Wales.*

*Children and young people have the human right to have opinions and for these opinions to matter. It says that the opinions of children and young people should be considered when people make decisions about things that involve them, and they shouldn’t be dismissed out of hand on the grounds of age. It also says children and young people should be given the information they need to make good decisions. **Article 12 (Respect for the view of the child - United Nations Convention on the Rights of the Child (UNCRC))***
