Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

New Quay Library and Reading Room is a property held by the trustee on trust ("the Property").

The object of the charity is to erect a library and reading room (which was achieved and is now the Property) and to permit the Property to be used as a site for a library and reading room for the benefit of the inhabitants of New Quay.

For many years New Quay Town Council has been operating under a service level agreement to provide library services at the Property. The latest agreement was entered into in 2016.

However the library provision relocated to New Quay Memorial Hall as of 01/11/2021 therefore the Property has been vacant since this date.

The trust is currently under review by the trustee to alter the purpose of the trust and ascertain whether there is a third party willing to take on the site for the new purposes of the trust.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Whilst the charity when making decisions do act for the benefit of the charity and the public it has not specifically reviewed the Charity Commission's guidance entitled 'Public benefit: reporting (PB3)' at its Charity Trustee Committee meetings and cannot confirm that all members of the Charity Trustee Committee have read the guidance especially as some members will be new to the Committee therefore the charity intends to circulate the guidance (both PB3 and PB2) to the members of its Committee at the next meeting and will reference the same in future decision making.
