3. INFORMATION IN SUPPORT OF YOUR APPLICATION

As written above:

My son, niece and nephew own and run the Water Street car park in New Quay, if housing is agreed to Barcud it will mean the loss of some car parking spaces in the top car park (off Park Street) where they hope to build the houses, this could result in cars having to look for parking elsewhere and could potentially result in my family's car park having more cars.

I do not benefit personally in any way from the business financially or from any land/property ownership, however, due to my personal association with my son, niece and nephew I believe I should be informing you of my position.

4. GROUNDS FOR DISPENSATION

The **Standards Committee (Grant of Dispensations)(Wales) Regulations 2001** prescribe the circumstances in which the Ethics & Standards Committee may grant a dispensation. The grounds for granting a dispensation are set out below.

On which of the following grounds do you believe that a dispensation should be granted in this case? Please tick the appropriate box(es).

(a) no fewer than half of the members of the relevant authority or of a committee of the authority (as the case may be) by which the business is to be considered has an interest which relates to that business;	<input type="checkbox"/>
(b) no fewer than half of the members of a leader and cabinet executive of the relevant authority by which the business is to be considered has an interest which relates to that business and either paragraph (d) or (e) also applies	<input type="checkbox"/>
(c) in the case of a county or county borough council, the inability of the member to participate would upset the political balance of the relevant authority or of the committee of the authority by which the business is to be considered to such an extent that the outcome would be likely to be affected;	<input type="checkbox"/>
(d) the nature of the member's interest is such that the member's participation in the business to which the interest relates would not damage public confidence in the conduct of the relevant authority's business;	<input checked="" type="checkbox"/>
(e) the interest is common to the member and a significant proportion of the general public;	<input checked="" type="checkbox"/>
(f) the participation of the member in the business to which the interest relates is justified by the member's particular role or expertise;	<input type="checkbox"/>
(g) the business to which the interest relates is to be considered by an overview and scrutiny committee of the relevant authority and the member's interest is not a pecuniary interest;	<input type="checkbox"/>
(h) the business which is to be considered relates to the finances or property of a voluntary organisation of whose management committee or board the member is a member otherwise than as a representative of the relevant authority and the member has no other interest in that business provided that any dispensation shall not extend to participation in any vote with respect to that business; or	<input type="checkbox"/>
(i) it appears to the committee to be in the interests of the inhabitants of the area of the relevant authority that the disability should be removed provided that written notification of the grant of the dispensation is given to the National Assembly for Wales within seven days in such manner as it may specify	<input type="checkbox"/>
(j) it appears to the committee to be otherwise appropriate to grant a dispensation.	<input type="checkbox"/>

5. GROUNDS FOR DISPENSATION- FURTHER INFORMATION

Please set out below the reasons why you consider that the Ethics & Standards Committee should grant a dispensation in this case (i.e. Please explain how and why you consider that one of the grounds for dispensation is/are satisfied)

(Please note that failure to complete this section will result in the application form being returned to you)

My apologies but I feel I need to rely on your judgement in this matter as I worry, I may tick the wrong box. The discussions/decisions to be made once a planning application is made by the housing association involves affordable housing which many claim is desperately needed. As stated, this would result in the loss of some parking spaces in the Park St car park, potentially those cars may look for somewhere to park in the other car parks in New Quay, one of which may be the Water St car park.

Housing is a significant issues in most areas currently and I have views on this, however, my understanding is that I should not have any involvement in discussions or voting in my role as town counsellor due to the potential of my family benefitting financially if planning was agreed and car park spaces were lost.

(please continue on a separate sheet if necessary)

6. REQUEST

Are you applying for dispensation to speak only or to speak and vote?

Specific:

Specific Meeting(s):
