Community/Town Council	Response	Email
1. Tregaron	Tregaron Town Council is currently looking for training – will there be an associated cost or it will be free? Also, how long will the training session last? It will be during the evening (as most of our Councillors work full time)	08/03/24
2. Llanfihangel Ystrad	<p>Your message was discussed at last night's meeting of the Llanfihangel Ystrad Community Council.</p> <p>Councillors are happy with the Llanfihangel Ystrad Council's current arrangements, namely that they have a brief 'refresher course' during the annual AGM where they have the opportunity to sign the Code of Conduct declaration.</p> <p>They are also happy that the support provided by the Ethics and Standards Department is available to them should they need guidance on any concerning matters.</p> <p>Therefore, aside from the above, they did not wish to accept the offer on this occasion.</p>	13/03/24
3. Llandysul	We would appreciate training for the Councillors. After discussing with them they'd be willing to do it if it's online.	16/03/24
4. Aberaeron/ Ciliau Aeron, Dyffryn Arth & Llansantffraed (4)	<p>On behalf of the four Councils which I clerk, I would welcome the Committee's offer to hold a session on the Code of Conduct.</p> <p>May I please ask that the session includes the following:</p> <ul style="list-style-type: none">• advice on the provisions of Paragraph 6 of the Code. To the best of my knowledge, the Monitoring Officer has never included such advice in her presentations on the Code to Members / Clerks and having this kind of advice would be very beneficial to them.	17/03/24

	<ul style="list-style-type: none">• advice on the need to 'self-refer' - this advice is consistently provided by the Monitoring Officer to Members - although there is no reference at all in the Code about any need to do so. <p>Thank you very much again for offering such training and I sincerely hope that the Committee can accede to my request.</p>	
5. Ysbyty Ystwyth	<p>I have asked the question of Ystwyth Hospital Community Council and the Councillors are interested in receiving training on the Code of Conduct. They have some questions;</p> <ol style="list-style-type: none">1. Where will the training take place,2. If there is sufficient interest from neighbouring community councils, would it be possibility to hold the training locally (in a village hall)3. How much does it cost to community councils.4. Can the training be conducted online, Zoom or Teams.	18/03/24
6. Llangwryfon	<p>Llangwryfon Community Council Councillors would be interested in attending in-person Code of Conduct training. As a Council, we have previously discussed this possibility and asked other councils in the area if they would also be interested in attending training either in person or online in a group – we received positive responses from Llanrhystud and Llansantffraed Councils.</p>	18/03/24
7. Llanrhystud	<p>Llanrhystud Community Council Councillors would certainly be interested in attending an in-person Code of Conduct training session. Please let me know if any further details are needed. I'm also a clerk to Llangwryfon Community Council and can confirm they'd be interested too; Perhaps we can arrange a session for the two councils together?</p>	31/03/24
8. Ceulanamaesmawr	<p>At the Council's monthly meeting held last Monday evening, March 25, the Council decided it would like to receive face-to-face training on the Code of Conduct.</p>	28/03/24

	I would be glad to receive for more information on this.	
9. Pontaryfynach/Melindwr (2)	In response to the query below I confirm that the Pontarfynach Community Council Councillors would like to receive training from the Ethics and Standards Committee. Ideally the training would be provided in small groups e.g. Melindwr Ward.	01/04/24
10. Ystrad Meurig	Many apologies for the delay responding to your email below. We would appreciate training on the Code of Conduct for our Councillors. I don't know how you plan to organise this, whether centrally or by Community, if you wanted to hold a community session we can arrange that Canolfan Edward Richard, Ystrad Meurig is available - would it then be possible to arrange for other local councils to join? Happy to discuss if needed.	02/04/24
