Background

The Ceredigion Local Access Forum is set up under the Countryside and Rights of Way Act 2000 to advise the County Council, Natural Resources Wales and others on the way that access to the countryside is improved and managed. The Forum is a statutory body encouraged to set its own agenda.

Local Access Forums represent a broad spectrum of interests and members play an important role in improving and managing access to the County's diverse and attractive countryside. Forums are appointed for a three year term.

To those interested in developing public access and associated recreation it can be an effective interface with Ceredigion County Council, Government Agencies and other organisations who have responsibilities or interests in these topics.

Current Situation

LAF members are appointed on a three-year basis; Ceredigion County Council as the Appointing Authority appointed the current Forum in 2022 and members will sit until 2025.
