3. INFORMATION IN SUPPORT OF YOUR APPLICATION

Please provide additional (background/ factual) information in order to clarify/explain your interest further, and assist the committee considering this dispensation application.

(Please note that failure to complete this section will result in the application form being returned to you)

The project will have a massive impact on all residents of Llanfair and Cellan. They are concerned over the environmental damage this will cause through building roadways, pollution from pouring concrete into the land for pylons and turbine bases. Travel disruption caused by heavy vehicles used in these construction sites, which extend throughout the Community Council ward.

We as councillors need to discuss these plans as they affect everyone in the ward. Many farmers, in particular, will suffer disruption to their livelihoods and loss of income. Also, loss of tourist income for those with accommodation for tourism near these construction sites.

(please continue on a separate sheet if necessary)

4. GROUNDS FOR DISPENSATION

The **Standards Committee (Grant of Dispensations)(Wales) Regulations 2001** prescribe the circumstances in which the Ethics & Standards Committee may grant a dispensation. The grounds for granting a dispensation are set out below.

On which of the following grounds do you believe that a dispensation should be granted in this case? Please tick the appropriate box(es).

(a) no fewer than half of the members of the relevant authority or of a committee of the authority (as the case may be) by which the business is to be considered has an interest which relates to that business;	<input type="checkbox"/>
(b) no fewer than half of the members of a leader and cabinet executive of the relevant authority by which the business is to be considered has an interest which relates to that business and either paragraph (d) or (e) also applies	<input type="checkbox"/>
(c) in the case of a county or county borough council, the inability of the member to participate would upset the political balance of the relevant authority or of the committee of the authority by which the business is to be considered to such an extent that the outcome would be likely to be affected;	<input type="checkbox"/>
(d) the nature of the member's interest is such that the member's participation in the business to which the interest relates would not damage public confidence in the conduct of the relevant authority's business;	<input type="checkbox"/>
(e) the interest is common to the member and a significant proportion of the general public;	<input checked="" type="checkbox"/>
(f) the participation of the member in the business to which the interest relates is justified by the member's particular role or expertise;	<input type="checkbox"/>
(g) the business to which the interest relates is to be considered by an overview and scrutiny committee of the relevant authority and the member's interest is not a pecuniary interest;	<input type="checkbox"/>

(h) the business which is to be considered relates to the finances or property of a voluntary organisation of whose management committee or board the member is a member otherwise than as a representative of the relevant authority and the member has no other interest in that business provided that any dispensation shall not extend to participation in any vote with respect to that business; or	<input type="checkbox"/>
(i) it appears to the committee to be in the interests of the inhabitants of the area of the relevant authority that the disability should be removed provided that written notification of the grant of the dispensation is given to the National Assembly for Wales within seven days in such manner as it may specify	<input type="checkbox"/>
(j) it appears to the committee to be otherwise appropriate to grant a dispensation.	<input type="checkbox"/>

5. GROUNDS FOR DISPENSATION- FURTHER INFORMATION

Please set out below the reasons why you consider that the Ethics & Standards Committee should grant a dispensation in this case (i.e. Please explain how and why you consider that one of the grounds for dispensation is/are satisfied)

(Please note that failure to complete this section will result in the application form being returned to you)

As explained above, the overriding reason is the scale of the impact on all local residents, which require to be represented by the community council. Some residents may have the view that this is a worthwhile project. Most people that I have spoken to, at public meetings in Cellan and Llanfair are not in favour. I accept that all points of view need to be represented, both in favour and against the issue.

With such a massive project, I/we as councillors would be failing in our duty not to represent the local community on this issue.

I have no financial interest in this project, other than the potential devaluation of my property caused by the presence of pylons near to my property. I am concerned about health risks to myself and my wife from such high voltage electric cables.
